- The Builders' Association
- The Tin Cup Fund

"Elisa is one of those rare people who bridges strategic thinking with relentless execution. Delightful to work with, very engaged and focused on the desired outcomes. She'll make you think, often brings interesting perspectives to the conversation, and really understands how to engage and influence her various stakeholders. At the end of the day, she'll get the job done and move any organization she works with forward."

David Nour, Chief Executive Officer
The Nour Group, Inc.

"Thanks for the great job you did with our Long-Range Planning Committee...the process and the results would have been much longer and considerably more disjointed than what occur under your leadership."

Ken Naquin, Chief Executive Officer
Louisiana AGC

"Highly organized planning. Great capability to gather data and discern information from it quickly. Excellent facilitator."

Don Greenwell, President
The Builders Association

"TEXO could not be more pleased with Brewer Pratt Solutions and the outcome of our annual strategic Board retreat and orientation! Elisa guided us through the process leading up to the retreat and did a tremendous job facilitating. The orientation portion was delivered in a thorough but concise manner for our volunteer board. We will definitely work with Brewer Pratt Solutions again!"

Meloni McDaniel, Chief Executive Officer
TEXO

Brewer Pratt Solutions LLC (BPS) is an association advancement and strategic consulting firm specializing in the delivery of member-focused and highly-customized solutions, instigating increased organizational success, and the transformation of non-profit associations and their members.

BPS is focused on the strategic implementation of project-based professional service improvements, ensuring an organizational evolution for non-profit staff, elected boards, and volunteer leadership.

Brewer Pratt Solutions was founded by association management executive Elisa Brewer Pratt. Prior to consulting, Elisa served as an impactful senior staff member for nearly 20 years with several national trade and individual membership associations. With a unique background in advocacy and engagement, membership and stakeholder relations, as well as national and chapter operations, Elisa's diverse expertise makes her a valuable partner and advisor to both non-profit and corporate clients. Elisa holds the Certified Association Executive (CAE) credential from the America Society of Association Executives (ASAE) and a master's degree from Johns Hopkins University.
