The SASSY
SUNFLOWER

All seams are 1/4 inch

1. On the wrong side of the white squares, draw a diagonal line from corner to corner.

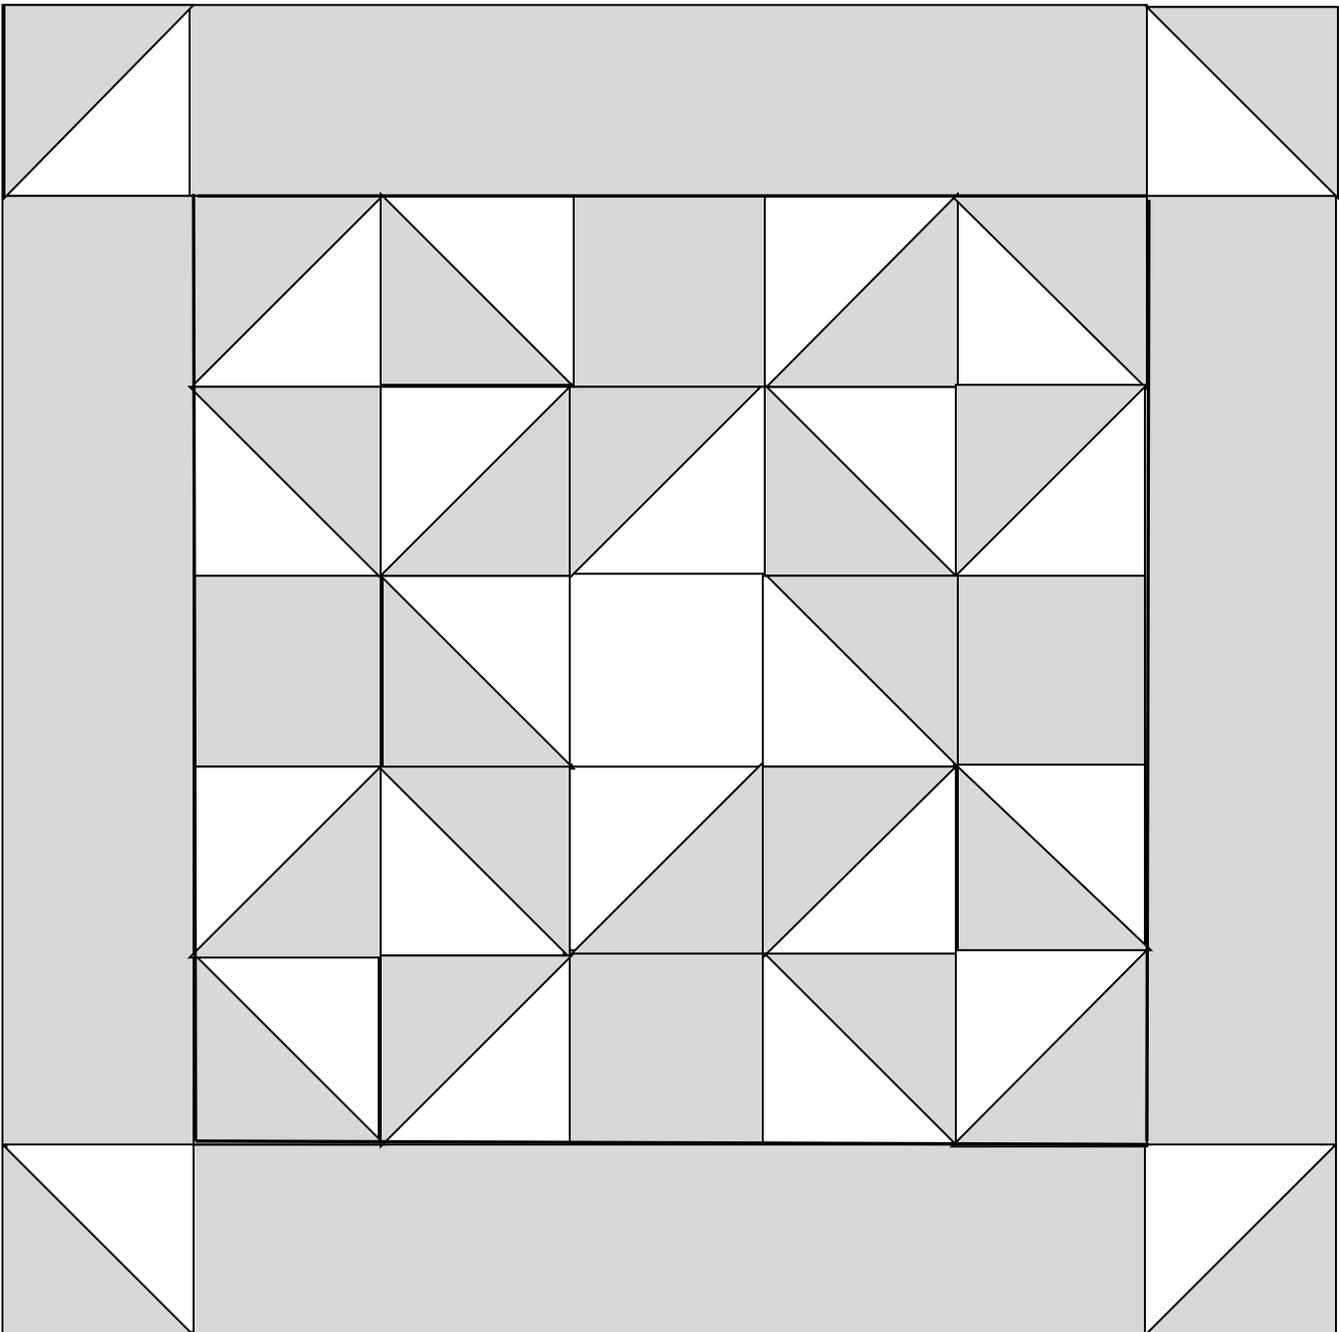

2. Layer the white and gray squares right sides together. Stitch ¼ inch to each side of the drawn diagonal line.

3. Cut on drawn lines. Using a “Quilt in A Day” square up ruler, square up to 1 ½ inch mark. Press open. (if not using a square up ruler, press square open and use a standard ruler to square up to 1 ½ inch square). This will give you 22 half square triangle blocks.

4. Referring to diagram, lay out the half square triangle and solid squares in the snowflake pattern. Stitch center block together.
5. Stitch side border (2) $1\frac{1}{2} \times 5\frac{1}{2}$ inch rectangles to each side of block. Stitch (4) remaining half square triangles to each end of the (2) remaining $1\frac{1}{2} \times 5\frac{1}{2}$ inch rectangles.
6. Stitch top and bottom borders in place.
7. Quilt and bind the block using your preferred technique.

Hint: Switching the placement of the dark fabric (gray) and the light fabric (white) provides a 2nd different snowflake look for this block.
