MOTIVATION

Why are you drawn to Financial Domination in particular?

What role does maternal Southern energy play in your attraction to Mrs. Montgomery?

You are not here by accident. Think harder.

Emotional fulfillment, structure, peace, humiliation, loss of control, etc.

What are you hoping She will take from you — besides money?

Control, shame, discipline, approval, structure? Be specific.

What behaviors do you wish someone would correct in you?

This will help decide if Mother is interested in taking you on.

What do you want Her to remember about you after the first interaction?

What is the worst thing a woman like Her could do to you?

FINAL FILTER

You will not survive if you lie. There are no refunds if you fail to live up to basic standards like honesty.

Would you prefer:

- ☐ Clear, scheduled tribute expectations
- ☐ Sudden demands and unpredictable assignments
- ☐ A mix of both

Why didn't you send a tip to me when you offered your Mother tribute?

Did it not occur to you that the way to make a good first impression is to be impressive?
