Community over Competition

## **2026 SPONSORSHIP INFORMATION**

Dear Valued Supporter,

The Ranch Horse Revolution Club (RHRC), established in 2022, is a non-profit society dedicated to promoting, preserving, and advancing the Western tradition and heritage of the working ranch horse in British Columbia. We are proud to be the first ranch horse club in BC and an official affiliate of the World Ranch Horse Association (WRHA), leading the way in growing the ranch horse community across the province.

RHRC organizes high-quality, all-breed ranch horse shows that encourage education, horsemanship, sportsmanship, and community for exhibitors of all ages and experience levels. Our guiding principle, "Community Over Competition," shapes every event and program we run.

Since its inception, RHRC has been proud to have full sponsorship for our youth program, ensuring that young riders can participate without financial barriers. For our first three years, we waived all youth class fees for both shows, and we are committed to continuing this initiative in 2026. This program is a cornerstone of our mission and highlights our commitment to nurturing the next generation of ranch horse enthusiasts.

In September 2022, RHRC hosted BC's first exclusive ranch horse show, attracting nearly 40 exhibitors and over 185 class entries from British Columbia and Alberta. Building on that success, our 2023, 2024, and 2025 Summer and Fall Shows each sold out, hosting over 100 horses and more than 550 class entries.

For 2026, RHRC will host two shows in beautiful Armstrong, British Columbia. The RHRC Summer Show, June 19–21, 2026 & the RHRC Fall Show, September 18–20, 2026.

The continued success of RHRC would not be possible without the generous support of our sponsors, donors, volunteers, and community members. Sponsors play a critical role in making our shows possible, helping us cover operational costs, provide high-quality awards, and continue programs like our fully sponsored youth classes. Their support allows us to focus on creating safe, professional, and inclusive events that bring together the ranch horse community from across the province. Every sponsorship directly impacts the growth of the sport, the development of young riders, and the preservation of the ranch horse tradition in British Columbia.

Sponsors are recognized through social media promotion, show programs and announcements, and arena banners or logo displays where applicable.

We sincerely thank you for your support of the Ranch Horse Revolution Club, BC's first ranch horse club, and the future of the ranch horse industry in our province.

Sincerely,  
The Ranch Horse Revolution Club
