

## Group Class Schedule

**Sept 14 2020 to June 3 2021**

**Group Classes** take place weekly at the following times. Please read the email Newsletters for any holidays or changes. Newsletters are sent out monthly. Add [jennifer@belcantostrings.ca](mailto:jennifer@belcantostrings.ca) to your safe senders list or they may be filtered to a bulk folder by your email server. Follow us on social media for more frequent updates!

**Private lessons** are scheduled on an individual basis, based on teacher & student availability.

Tuesday	Wednesday	Thursday
5:10-6:10 Beginner Violin (Back Rm)	5:00-6:00 Junior Violin 2 (Back Rm)	
6:20-7:20 Senior Teen Violin (Back Rm)	7:00-8:00 Adult Violin 1 (Back Rm)	6:15-7:15 Junior Cello (Front Rm) Junior Violin 1 (Back Rm)
7:30-9:15 Chamber Strings (Back Rm)	8:15-9:15 Adult Violin 2 (Front Rm) Adult Cello (Back Rm)	7:30-8:30 Senior Cello (Front Rm) Senior Violin (Back Rm)

### Covid-19 Health Precautions

Class sizes are limited to 5-10 students at a time so that we can maintain physical distancing during rehearsals. Masks will be required during group classes for those who are able. We have increased our cleaning protocols, and all music stands, chairs and high-touch surfaces will be cleaned between each class. Hand sanitizer is available upon arrival and departure. Parents and care-givers are asked to remain outside during pickups/drop-offs to help keep the entry clear, and to wear a mask when waiting near entrances. Please be punctual with arrival and departure times – arriving no earlier than 5 minutes before your scheduled class. Students attending lessons in the front room will be asked to use the front entrance off Upper James S and those attending lessons in the “big” room may use the back entrance facing the parking lot.

Families are asked to self-screen before each class. Do not attend a live lesson if you:

- Are experiencing any signs of illness, including: fever, fatigue, dry cough, loss of appetite, loss of sense of smell or taste, body aches, shortness of breath, mucus or phlegm, small red/purple spots on hands or feet.
- Have travelled outside the country in the past 14 days
- Have been in close contact with a known or suspected case of COVID-19 in the last 14 days
- Have been in close contact in the last 14 days with someone with a person suffering from acute respiratory illness or the symptoms listed above.

### Virtual Classes

There are virtual class options on Zoom for those who aren't yet comfortable in joining us in person, and so all students can keep up on weeks they are feeling ill and unable to attend an in-person class. Please contact for details! Tutorials will be posted on YouTube weekly to support home learning.
