

AMPS Atlanta 2023

Military Amphibious Vehicles

February 17-18, 2023

Eligibility for the show theme is defined by:

“Any Military Amphibious Vehicle used by any Country. Vehicles with amphibious capabilities, but not specifically designed for amphibious use are acceptable if shown in an amphibious scenario .”

Join us for our 15th annual AMPS Atlanta model contest and show! Our show provides a great opportunity to tune up your models in time for the AMPS Nationals. There are loads of vendor tables, not to mention great Southern hospitality and weather. All models are judged using the AMPS open system.

Not just a model show, there will be great figures on display as well as educational seminars.
