Darrin Downs
2019-2020

December 1, 2021

Dear Friends and Supporters of the Springs Fire Department,

On behalf of the entire Department, I am proud to launch our Annual Fund Drive and to offer up reflections on the year gone by as well as aspirations for the year to come.

2021 arrived with a pandemic in full swing and that meant for us a reaffirmation of what preparedness means in our lives as first responders and further, how that preparedness impacts the community we serve. COVID-19 demanded that we adapt to changing circumstances, with the health and safety of our members of utmost importance.

The members of the Springs Fire Department consistently train for all hazards scenarios and by example, promote preparedness in all we do. Through November of 2021 the Department responded to 545 ambulance/EMS calls, 261 fire calls. All this in addition to providing ongoing mutual aid to surrounding districts when called upon to do so.

In addition to ambulance and firematic operations, in 2021 the Department was unwavering in its support for local organizations and students. This year to date we made contributions to over two dozen local and regional charities. We also proudly support the educational advancements of our local students through our David M. King Memorial Scholarship Fund.

The members of the Springs Fire Department are a special blend of people. We are young, not-so-young, male, female, from many ethnicities and from many backgrounds. We are founding members, families with multi-generation active participants and also newer residents driven to serve. As members of the Springs community, we share the goal of preserving this special place. Through our actions we strive to reduce risks and help mitigate the possibilities of major damages resulting from a lack of forethought or preparedness.

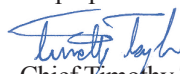

Looking to 2022, we are hopeful the pandemic will further subside and we will once again be able to welcome you to our Prime Rib Dinner in the Spring and the Great Bonac Foot Race in the Fall. We are already serving Sunday Breakfasts again and it has been great reconnecting with so many of our friends and neighbors!

Please consider supporting the Springs Fire Department. Donations can be made through our website www.springsfd.org or by check, payable to:

Springs Fire Department, 179 Fort Pond Blvd. East Hampton, NY 11937

In closing, a reminder to please check your smoke and carbon monoxide alarms and clearly mark your house numbers.

Be prepared.

Chief Timothy Taylor
