

# COMMUNITY DEVELOPMENT OFFICER REPORT

Monday, December 6, 2021

- Lynda informed me that we have received half of our ARPA money and that it was deposited in the bank in November.
- I submitted a grant for the Police Vehicle and waiting to see the outcome of that as well of the REAP grant.
- Robert, Ronda, Lynda and I met today to discuss the future of sidewalks in Fort Cobb and potential grant funding.
- I continue to update the website and would like to have updated bios for it.
