PRESS RELEASE

TIP SUBMITTED TO THE FBI

JEHOVAH’S WITNESSES

On Tuesday, October 6 2026, a tip was submitted to the FBI possibly reporting Sedition against Jehovah’s Witnesses. Jehovah’s Witnesses have a previous conviction for Sedition, however, in March 1919, their leadership was released from prison. The tip reported to the FBI covers the reason why their indictment, conviction, and 20 year sentences in Federal Prison was overturned and how now the tip could lead to a new review of the Rutherford vs United States case.

Jehovah’s Witnesses claim that between 1914 and 1919 that Jesus was enthroned as King in Heaven in 1914, that Jesus AND Jehovah inspected ALL christian groups to see which one “provided spiritual food at the proper time” between 1914 and 1919, and that Jesus judged this small group as having passed inspection. In other words, “God chose us”.

On December 4th 1975 while the public focus was on the failed end-times date, Jehovah’s Witnesses made one of the most fundamental structural changes in Watchtower history. Corporate versus Spiritual changes including separating executive control of the legal corporation from spiritual leadership.

Here is what also happened in 1975: on August 27th 1975 His Imperial Majesty Emperor H.M. Selassie of the Solomonic Dynasty in Ethiopia was murdered. Axum Ethiopia being where the Ark of The Pact (The Ark of The Covenant) is held at The Chapel of The Tablet. On November 10th 1975, Timetrious Todd Golden was born as Yeshua Hamachiach in Rock Island Illinois at the Rock Island Franscian Hospital. Yeshua Hamachiach is Hebrew for Jesus Christ. Looking at the timelines here between 1914 and 1975 there was a push to capture Abron Habrit (the Shekhinah “Holy Spirit”) of The Ark of The Pact. The date of death of His Majesty and the date of birth of Timetrious caused this to be “up for grabs” Yeshua Hamachiach is in the FBI Tip.

Timetrious being a newborn at the time allowed for Jehovah’s Witnesses to obtain an unauthorized permission to operate with a doctrine of control over Timetrious’ body. The Immaculate Conception is The Shekhinah of the Ark of The Pact preconceiving the conception of Timetrious (sperm to egg) as his body to be born on Monday November 10th 1975 at 7:32pm. The Monarchy of Ethiopia (The Solomonic Dynasty, God Elected Kings) ended on August 27th 1975 leaving a “gap” for Jehovah’s Witnesses to approve of the new structural changes before Yeshua Hamachiach was of age to make proper determinations.

Sedition must be prosecuted. What does Sedition do to God? It brings rise to Religious Sects as Political Prostitution. Sedition pits God against his Creation causing Him to have Emotional Conflict. Financially, Sedition enables the criminals to handicap the Responsibility of The Creator. Sedition also prevents the people from having Absolute Power.

The Books “The Finished Mystery” (1914) and “The Crisis of Conscienceness” (1975) detail the reason for the initial Sedition Conviction and the reason a Governing Body Member left the Organization due to Seditionist reasons for the formation of the Governing Body.
