"Bindya did a beautiful job of decorating our venue at Inglewood on 17 July. we had to move the date a number of times due to the restrictions and Bindya was so helpful and accommodating. The ceremony and reception rooms were beautiful and we loved the welcome sign design. Would definitely recommend. Bindya really knows the the venues so can suggest what looks good too! Thanks again..."

"Thank you so much to Bindya & her team for making such a wonderful job of the décor for our Wedding at Inglewood House in January. Everything was just perfect, the attention to detail is fabulous. Bindya is so lovely and friendly and her work is amazing, we also took the flower package and I was blown away by the bouquets, button holes and the flowers for my hair all were really beautiful. We would highly recommend Eze Events no matter what style you have in mind for your wedding Bindya and her team will work with your ideas and make any venue look amazing. ..."
