General Golf Information

2026 Golf Season

The golf season is officially April 1, 2026 – November 15, 2026
Memorial Day, 4th of July, and Labor Day are the official Holidays for the course. Per the Superintendent's discretion, the course may be open outside these dates based on course conditions.

Hours of Play / Pro Shop Hours

Monday – 12 PM to Dusk (Course closed for maintenance until 12 PM)
Tuesday thru Sunday and Holidays – Open to Dusk
Course Open time varies from 7AM to 9AM based on time of the season

Tee Times

Tee Times will only be required on Saturdays, Sundays and Holidays

Pro Shop Contact Info

Pro Shop Telephone Number – 973-694-0758
Head Professional Email – ksyringpga@gmail.com

2026 Accompanied Guest Greens Fees

\$25 for 9 holes / \$40 for 18 holes

2026 Unaccompanied Guest Greens Fees

\$30 for 9 holes / \$50 for 18 holes

Unaccompanied guests playing prior to 3:00 PM on any day must also take a cart in accordance with the below cart fees

2026 Cart Fees and Hours

18 Holes - \$30.00 per person
9 Holes - \$15.00 per person
Carts available from open to 6PM (daylight permitting)

2026 Golf Rules

General Golf Course Rules

USGA Rules are always in effect, weather and conditions permitting. Local Rules apply as stated below or re-stated for tournament play.

All players must register with the Pro or his staff to sign in prior to play. The Pro or his staff will enter the name and unit number of the player and then the player must sign the book. If no golf staff is present, the player must still sign the book that will be on the porch.

Players are not permitted to use the course outside the hours of play listed above or when the course is closed for any reason. A “Course Closed” or “Frost Delay” sign at the top of the hill near the entrance walkway means the course is closed to all players until the sign is removed.

Members are responsible for their guests and all guests must adhere to all rules and regulations.

All Members must display a current Deer Run Bag Tag and must produce a valid Deer Run ID upon request by the Golf staff.

Each player must have his or her own golf bag and clubs.

Please repair your ball marks and at least one other on each hole. Replace all divots (or use ‘divot fill’ if available) and rake and repair all bunkers. Place all trash in the proper receptacles. All Members must help police the golf course.

All players must start from the 1st Hole unless specifically authorized by the golf staff.

Foursomes and Threesomes have the right of way while playing, but slower groups should allow faster groups to play through when possible to maintain pace of play (i.e. – an open hole in front).

Singles and Twosomes may only play on Weekends and Holidays with permission from the golf staff and must pair up when asked.

Starting groups will be required to alternate with groups making the turn from Holes #9 to #10 with the initial priority being the group making the turn from Hole # 9. The golf staff has total control of the starting tee and turning groups at all times.

Players must make certain all players are out of range before hitting. It is the player's responsibility to yell "Fore" loudly if errant shots are headed towards any one on the course including players or staff.

It is the responsibility of all golfers to study and know the rules and etiquette of golf and exhibit good sportsmanship at all times. Instances of any breach of rules and/or etiquette should be reported to the Golf Professional/Pro Shop.

Golf pull carts, manual or electric, and bags are to be kept off the greens.

The Golf Shop building is a nonsmoking facility.

Range balls are the property of the head pro and must only be used on the driving range. Taking range balls from the range without prior authorization from the head pro constitutes theft. Any member or guest playing golf with range balls may be suspended from play.

All golfers should refer to the bulletin board and/or Deer Run website, and/or pro issued emails, and/or signs in the Pro shop for seasonal changes in daily fee, time of play, conditions of play, and tournament and outing schedules.

The Course Superintendent may close all or any part of the course at any time without notice due to adverse/severe conditions.

Alcohol is not to be sold or stored on the common areas.

Players hitting 'Out of Bounds' shots to the left of the first fairway up to the top of the hill are not allowed to search for balls on the driving range when players are hitting on the range.

Due to the proximity of the course to the houses, players are requested to refrain from foul, vulgar, or offensive language.

Players are allowed to play music while playing provided the volume is kept to a level that it is only audible within your own group. If other groups are being disturbed it is their right to ask for the volume to be lowered.

Due to safety concerns (pesticides, errant shots, etc.), the Golf Course and immediate adjacent areas are only for use by golfers for golf purposes. Children using the golf course or practice areas for golf purposes must be supervised by an adult, must understand the safety concerns above, and must be able to understand and protect themselves when they hear "Fore".

Dress Code Requirements while playing or using the Practice Facilities

Men: Shirts must have a collar or can be a mock style golf shirt. Tee shirts, sweat pants, jeans of any kind, cut off shorts, or jogging shorts are not allowed.

Women: Tops: If a top has a collar, it may be sleeveless, if a top does not have a collar, it must have sleeves. No jeans of any kind, no sweat suits or sweat pants, no workout or gym style shorts, no halter-tops. Only golf shorts or golf style slacks and/or skirts are permitted.

Footwear: All players must wear golf shoes with **soft spikes only**, or sneakers with normal bottoms.

Golf staff has final approval of all attire and footwear.

During the time period from Nov 15th to March 31st, jeans, and sweat pants will be allowed.

Golf Cart Use

In order to prevent damage to your course, daily cart regulations must be followed. Each day the golf staff will advise all players of the cart rules for that particular day. All players are responsible for any personal and/or cart damage while renting a motorized golf cart. Deer Run is not liable for any golf cart incidents.

Players desiring to rent and/or drive a cart must be at least 17 years of age and must possess a valid driver's license.

Players must follow all cart signs and ropes. Carts should never be within 30 feet of any tee or green.

Carts should always be parked on the cart path when teeing off. All par 3's (Holes #5 and #9, #14 and #18) are always cart path only.

Carts should not be driven on the pathway between the ponds on holes #2 and #3.

Please practice the 90-degree rule when applicable and any other direction given by the Golf Staff.

The Course Superintendent or Head Golf Professional may on any given day not permit the use of motorized golf carts.

Never drive a cart in muddy places, through puddles of water, or in any place that might damage the turf.

It should be noted that a member is responsible for the actions (cart rule violations) of any guest (accompanied or unaccompanied) he/she brings to the Club.

Eligible handicapped members or guests issued a "Flagged Cart" may operate them up to the traps along the green. Flagged cart users must receive daily instructions from the Pro Shop before they play.

Practice Area Use

The Practice Area and Putting Green will be available to all members and their guests during normal Golf course hours. It is intended for putting and short chip shots only.

The Driving Range is available for a fee. The Driving Range rates are listed in a subsequent section of this booklet. See the Golf Pro or his staff for any questions. Players hitting on the Driving Range must be aware of errant shots hit to either side of the Driving Range and yell “Fore” when necessary.

The short game practice area and practice bunker (near first green) is available to all members and their guests. Note: Members should supervise their guests while they are using this area. Players must be aware that multiple players may be using the practice area at any one time and must make others aware of errant shots. Players using the area 125 yards before the practice chipping green must yield to players hitting on the Driving Range. If the pro or his staff are running lessons, they will have precedence over the use of this area.

Members should only hit range balls from the designated practice tee or mats near the pro shop and should only hit balls up the hill. Members should not hit range balls from the top of the hill towards the pro shop. Doing so is not allowed and any member doing so is subject to disciplinary action up to and potentially including suspension of play privileges.

Parking

As a courtesy to residents, Members and Guests should always utilize the golf course parking lot as their first parking option. As a courtesy to residents living near the golf course, golfers (members and guests) should never use regular parking spaces (un-numbered and especially numbered) when parking to utilize the golf course.

Local Rules

Players are entitled to take a free drop (1 club length no nearer the hole) when their ball is lying in any mulched or wood chipped area.

The USGA allowance for dropping a ball without penalty of distance but with penalty of 2 strokes is in effect for all general play at Deer Run. Players must follow USGA guidance regarding appropriate drop procedures. This rule is NOT in effect for Tournament Play.

The USGA allowance for a maximum score is in effect for general and league play at Deer Run. The maximum score is set as 10 strokes for any hole. This rule is NOT in effect for Tournament Play. Players must still follow USGA guidance regarding posting net double bogey for handicap purposes.

Any violation of the Deer Run Association Rules, Deer Run Golf Rules, or any other breach of etiquette may be referred to the Deer Run Board of Trustees for adjudication.

Guest Policy

Only guests playing in the same foursome as the member are considered accompanied guests. Any guests not playing directly with a member (either in an adjacent group or without the member on the course), are considered unaccompanied. A member may have 2 foursomes per hour of member's unaccompanied guests.

Members wishing to tee off will have preferred access over unaccompanied guests at the 1st tee.

Requests to have greater than 7 guests in one hour must be approved by the Golf Committee or Pro at least 24 hours in advance.

Note: Unaccompanied guests playing prior to 3:00 PM on any day must also take a cart.

Note: Members must contact the Pro to arrange for unaccompanied guests. While contacting the Pro via telephone is acceptable, email is preferred.

Note: Unaccompanied guests are only allowed during the regular golf season (April 1 – November 15)

The Golf Committee and Board of Trustees reserve the right to modify the guest policy during the year if necessary.

Non Golfing Guest Policy

The golf course is an amenity to residency and supported by all unit owners. It is understood the course is not a playground or a party area, but non-playing residents or guests accompanying resident golfers may be allowed on the course during non-peak hours or to observe tournament play. This is to allow resident golfers to spend time with family members or special friends while enjoying the course.

Certain rules and restrictions as follows must be observed:

- 1) All spectators must understand and display proper golf etiquette while on the course. This includes proper attire as per the Deer Run dress code.
- 2) For safety reasons children must be carefully supervised at all times and not be a distraction to other residents using the course. They must understand what 'fore' means and how to protect themselves if necessary.
- 3) At all times the resident golfer is responsible for the behavior of any non-playing spectator they allow with them.
- 4) The Deer Run Golf Pro has the final authority as to when a resident member is allowed a non-playing guest.

The Golf Committee and Board of Trustees reserve the right to modify the non golfing guest policy during the year if necessary.

2026 Tournaments and Events

Player of The Year

- Season long points based “Player of the Year Chase”
- Earn points by playing in tournaments, events, and leagues

Registration for tournaments can be made by
emailing the Head Pro at ksyringpga@gmail.com (preferred)
or by calling the Pro Shop at 973-694-0758

Note: for all Tournaments and Leagues, a USGA/WGS Handicap is required. Alternate league handicaps cannot be used.

The Golf Committee and Golf Staff have the right to modify the tournament schedule and formats during the year if necessary.

Additional Tournaments and Events

Look for emails or call the pro shop for more information.

Private Outings

The golf course is available to members wishing to have private outings via special arrangement. Please contact the Pro Shop for additional details including availability, cost, etc.

Notice to all Golfing Members and their Guests: *During the time an official tournament/event/outing is being held, the tournament/event/outing will have priority on the course. However, in many instances there will still be availability for members who desire to play golf but are not playing in the tournament/event/outing. Please contact the pro shop at least 24 hours in advance to check on availability and discuss possible arrangements. Golfers who show up to play without contacting the Pro Shop may have to wait for an appropriate opening at the discretion of the Pro or his staff.*

2026 Open Golf Leagues

Wednesday Open League

- Wednesday Evenings
- Play 9 Holes per Week - Play as little/often as you wish
- Tees may be White, Blue, Red, Gold, or “A Special Course”
- Players 65 years and older can elect to play the forward tees
- Season long individual league utilizing cumulative points
- Special formats and weekly prizes each week
- Play April 15th – September 16th (23 weeks weather permitting)
- Starting times from 4:00PM – 6:00PM

Weekend Open League

- Saturday and Sunday Mornings
- Events to be held 2 times per month (Saturday or Sunday)
- Events may be 9 or 18 holes and will be announced in advance
- Play as little/often as you wish
- Tees may be White, Blue, Red, Gold, or “A Special Course”
- Season long individual league utilizing cumulative points
- Play April 18th – August 30th
- Starting times from 7:00AM – 12:00PM

Open League Fees: There will be a one-time \$75 entry fee that covers both the Wednesday and Weekend Leagues as well as the end of year banquet. Weekly fees are \$10 per day played for prize funds. Optional special events (long drive, closest to pin, etc.) will also be periodically held at an additional fee. Guests must pay these fees and must also pay the applicable greens fee.

Notice to all Golfing Members and their Guests: While league play is highly encouraged for all members, the course will remain open for open play for both members and guests. However, league players will have priority on the course.

Note: League players who are unable to play with another league member may have their scores witnessed and validated by playing with a non-league member but league players cannot play alone.

- April 1-September 30: Open to 6PM
- October 1-31: Open to 5PM
- November 1: Closed for the season
- On weekends and holidays range will close one hour earlier than above times

Handicap Information

World Handicap System - Summary

The handicap system has undergone recent changes and is now called the World Handicap System or WHS. Briefly some of the points are:

- The Equitable Stroke Control procedure used in previous years is no longer applicable
- Max score for posting is called net Double Bogey. So you can post up to $\text{par} + 2 + \text{any handicap strokes received on that hole}$.
- Your APP on your mobile device should update automatically.
- Handicap will update the day after each round is posted.
- Additional details are included below
- The Deer Run website has the entire WHS rule book.

World Handicap System - Details

The Effective Jan 1st, 2020, the Handicap system implemented by the USGA/NJSGA is the World Handicap System.

Some items of note:

1) The amount of strokes you can post for Handicap has changed from what was called Equitable Stroke Control to the Net Double Bogey. The max you can post is $\text{Par} + 2 + \text{Any Strokes you receive as a function of your handicap}$.

So, if you are 2 Handicap and playing a Par 4, the max you can post on the number 3 Handicap hole would $4 + 2$ or a 6.

If you were playing a Par 4 and it was the number 2 Handicap hole, the max you can post would be a $4 + 2 + 1$ or a 7.

2) Players have always been urged to post the day of play, but it is more important now because a new feature that analyzes all the scores posted on the day (at midnight) and automatically adjusts scores for playing conditions. Simply put, conditions on a windy day would expect to yield higher scores, so the Handicap System will (again automatically) add or subtract an adjustment to your scores called PCC (or Playing Conditions Calculation). By posting on the day of play, your scores will help

generate an accurate PCC. People who post later, will receive the PCC that was calculated, even though your score was not used to calculate the PCC for that day. While this is complicated, the key is you should post your scores the same day you play.

3) Also, handicaps will be updated the day after you post. This is a change from the twice monthly updates so from day to day, your handicap should be checked. People playing in multi-day tournaments may have their handicaps frozen for the tournament purposes, but you should use the daily handicap for posting. Please check with your tournament officials if you are playing in multi-day events.

Anyone requiring additional assistance can contact James Stewart.

Sandbagging and Unethical Behavior

Sandbagging compromises fair play and undermines the reputation of the club, therefore, it will not be tolerated. Throughout the season the Handicap Chairman and the Golf Committee will be auditing score posting to ensure compliance. Any player found to be not properly posting scores and/or having a suspect handicap will be subject to disciplinary action including but not limited to warnings, handicap adjustment and/or being barred from Deer Run Tournaments and NJ PGA Pro Am Events.

Repairing ball marks

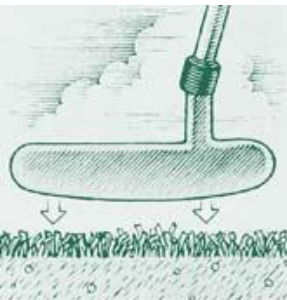

Use a pronged ball mark repair tool (preferably), knife, key or tee.

Insert at the edges of the mark- not the middle of the depression.

Bring the edges together with a gentle twisting motion, but don't lift the center. Try not to tear the grass.

Smooth the surface with a club or foot. You're done when it's a surface that you would putt over.
