Dear Mr. Weiss,

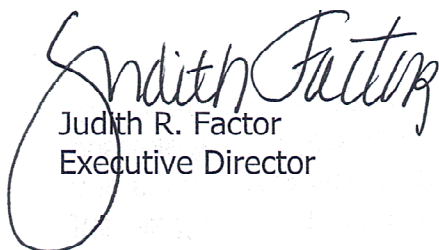

I want to thank you for your generous donation of a Head Tennis bag for Friends of Karen's 18<sup>th</sup> Annual Children's Corporate Challenge Golf & Tennis Classic on July 30<sup>th</sup> at the Sleepy Hollow Golf Club, honoring Louis J. Margan, Kenneth Weiss and Deborah Gorman. We are so very grateful to them for all they have done to help our critically-ill children and their families.

Parents quickly become overwhelmed by fears and uncertainty about their child's illness. Income plummets when a parent must stop working to care for their child – just as the child's medical bills begin to soar. By providing essential financial assistance and caring emotional support, Friends of Karen makes daily life as manageable as possible for our families, keeping them strong, stable and together during this most turbulent time in their lives.

*"There's not a day that I don't think of you all and thank you all for being there during our most difficult, challenging times. The support Friends of Karen provided to us was just incredible." Meghan's mom*

You can be sure that your generous support of the Children's Corporate Challenge Golf & Tennis Classic will have an immediate and tangible impact on the quality of life for our families. Thank you for being part of our critical safety net.

Sincerely,

  
Judith R. Factor  
Executive Director

*Many thanks  
for your continued  
help - we so appreciate it!*
