Awardee: Ashlee Kirk

Dear Ashlee,

It is with great pleasure that I am writing to inform you that you have been selected as the recipient of the **BAFT Scholarship Fund of \$500.00** for **2025**. This award recognizes individuals who have demonstrated exceptional dedication, innovation, and excellence in their endeavor to further their education goals.

Your outstanding Essay regarding how you overcame life's obstacle, hurdles and confusion. Where many others might have given up you found and chose an alternative in Art and Animation. This was not just another game for you, but you looked deeper and found meaning in the stories. You saw underlying theme of love, redemption, compassion, identity and responsibility.

Ashlee, you have an outstanding and very important future ahead of you. Your contribution of the absurdity of late-stage capitalism, consumerism, imperialism, class relations, violence, labor, patriarchy, family and interconnectedness, through animation and visual compositions will open the eyes of many of us who will never see the inside of a university or any of us who may not fully understand these crucial subject matters. Thank you.

Therefore, on behalf of **Brandy Ann Faye Turner, Legacy**, and the entire ABP family I want to express our deepest gratitude for your hard work, commitment and success.

Congratulations once again on this well-deserved Scholarship & recognition. We look forward to celebrating your achievements every step of the way.

Warm regards,
