World's High Jump Record Is Set by Leroy Brown

Dartmouth Athlete Clears 6
Feet 4 7-8 Inches at Inter-
collegiate Games.

As the indoor athletic season was ushered out at the Twenty-second Regiment Armory last night a new national championship meet for college athletes was ushered in. The new attraction, fathered by the Intercollegiate Association of Amateur Athletes of America, received a royal welcome from both athletes and followers of college sport.

Models of college brawn represented by 500 entries in twelve events calling for tests of speed, skill and endurance sported their colors in sixteen different events. They represented the acme of perfection in the flashy sprinter, the lusty lunged middle distance and distance runners, agile and graceful jumpers and burly weight throwers.

Indoors the runners traveled over specially prepared soft wood tracks with spikes in their shoes to help hurry their journey, while the jumpers and weight men performed from elastic flooring and into soft dugouts as landing places.

Lovers of college athletics, and many of them women, found their way to the armory through disagreeable weather conditions. The crowd was the largest ever assembled at an athletic meet in a local armory. This was due to the foresight of the management in installing a lot of bleachers that have done much faithful service at Columbia Field. The armory was a riot of color.

Track in Perfect Condition.

Despite the fact that there was plenty of snow and water on the roof of the armory, none of either got in touch with the armory floor. The holes through which the water poured at the A. A. U. championship meeting last Saturday had been well plugged and the leaks effectively stopped.

World's record as well as titular honors was gained by Leroy T. Brown, of Dartmouth in the running high jump when he reset through space from a fine leap to scale the bar at 6 feet 4 $\frac{7}{8}$ inches. The old record of 6 feet 4 $\frac{3}{4}$ inches was held jointly by Brown and John Murphy of Notre Dame University. Brown was not satisfied with this brilliant feat. He sought a higher mark and had the bar raised another inch. His three attempts to get over it were unsuccessful.

University of Pennsylvania runners

also performed brilliantly in the two mile relay, which they won by 5 yards. Cornell was second, Georgetown third and Columbia fourth. The success of the team was due in large measure to Larry Brown, who ran the final half mile in 1:55 2-5. The newly crowned mile champion was given a tremendous ovation for his fine work. The winning team covered the distance in the good time of 7:55 2-5.

The first title to be awarded went to Larry Shields of Penn State when he led home a field of fifteen opponents in the one mile run in a finish sprint in the final twenty yards that brought the crowd to its feet in a madly enthusiastic demonstration. Mal Douglass of Yale was second and Edward B. Kirby of Cornell third. The winner covered the distance in the excellent time of 4m. 20 8-10s.

Shields showed a remarkable effort after running an odd race. He followed the pace of Burke of Harvard during the first circuit of the course. A grand sprint carried him to the front on the second lap, Burke was then running second, with Douglas third, and James Connolly of Georgetown University, the intercollegiate outdoor champion at one mile, fourth.

Shields continued to act as the pace-maker until the beginning of the bell lap. Here he gave way to Kirby. The last named soon surrendered the post of honor to Douglas. The Yale leader opened up quite a gap during the last half mile and looked all over a winner until Shields, who made another bid for the lead, began to move up fast from third place. Gradually the Penn State flier cut down the distance between himself and the others. Twenty yards from the finish saw again the master of the field going on in staggering plucky style. He won by two yards.

CORNELL WINNER OF COLLEGIATE MEET

Leroy Brown, Of Dartmouth,
Establishes World's Record
For High Jump.

NEW YORK, March 11.—Cornell University track and field stars won the championship meet of the Intercollegiate Athletic Association in the Twenty-Second Regiment armory here tonight, scoring 37½ points.

Dartmouth College athletes were second with 26 points and Pennsylvania third with 23 points.

Leroy T. Brown, of Dartmouth College, established a world's record for the indoor running high jump when he cleared the bar at 6 feet 4½ inches at the intercollegiate indoor track and field championship at the Twenty-Second Regiment armory here tonight. The old record was 6 feet 4¼ inches.

Boots Lever, the University of Pennsylvania flash, made the best time in the heats of the 70 yard dash tonight in the first annual indoor track and field championships of the intercollegiate A. A. A. The Red and Blue sprinter negotiated the distance in seven and four-tenths seconds.

Harvard drew the first blood in the point of scoring when J. F. Brown won the 35 pound weight throw with a heave of 47 feet, 11 inches. This was the only event that was held outdoors. Wager of Cornell was second and Baker of Princeton third.

Other heats in the 70 yard dash were won by Leconey of Lafayette, Graeb of Columbia, McKim of Princeton and Carter of Brown.

The meet was the most colorful spectacle of its kind that has ever been witnessed in this city. From every tier in the huge Twenty-Second Regiment Armory, college yells were heard. The cheering resembled that heard at a football match.

Gustavus T. Kirby, honorary referee of the games, announced that the meet was the most successful from every point of view ever contested in intercollegiate circles.

Larry Shields, the fleetfooted miler of Penn State, accounted for the mile run in spectacular fashion. At the crack of the gun Shields shot to the front and carried the field of 30 around the banked track at a merry clip. He was closely followed by Douglas of Yale, Burke of Harvard, and Kirby of Yale.

For three quarters of a mile Shields carried the lead when at this point Kirby came up from fourth position and went into the lead only to hold it, however, for half a lap, when Shields again went to the front.

Going into the last lap Douglas shot past Shields and opened up with a terrific sprint. Shields gamely hung on and 20 yards from the finish in the final dash to the tape came up on even terms with the Eli runner.

On they dashed to the tape and for a time it looked as though the race would be a dead heat. But a yard from the finish Shields gave all his efforts in a final lunge at the tape and won by but inches from Douglas. Kirby was third, about 16 yards behind Douglas. Walter Higgins of Columbia, the local hope, finished fifth.

Harrison S. Thompson of Princeton, national A. A. U. all-round champion, proved his right to his title when he won the 16-pound shot put with a toss of 41 feet 5¼ inches after competing in several other events. Edward Bell of Boston was second with 41 feet 9 inches and third honors went to John P. Lee of Dartmouth, with 41 feet 8 inches.

L. Libby won the pole vault in convincing manner, scaling the bar at 12 feet which was six inches better than his nearest competitor, which incidentally ended in a tie for second places for four athletes.

Brown of Dartmouth Sets New World Mark in Running High Jump

NEW YORK, March 11.—Cornell university track and field stars won the championship meet of the Inter-collegiate Athletic association of Amateur Athletes of America in the Twenty-second Regiment armory here tonight, scoring 37 1-2 points.

Dartmouth college athletes were second with 26 points and Pennsylvania third with 22.

TIED RECORD FALLS

LeRoy Brown of Dartmouth set a new world's indoor running high jump record of six feet, 4 7-8 inches.

The old record of six feet, 4 3-4 inches was held jointly by Brown and Johnny Murphy of Notre Dame. Brown tried to clear the bar at six feet, 5 7-8 inches but failed.

University of Pennsylvania freshmen and varsity runners registered victories in the relay races. Pennsylvania runners took first in the two mile relay in thrilling fashion from Cornell and Dartmouth. Columbia finished a poor fourth. Larry Brown, Pennsylvania's speedy runner, won the race by dashing ahead in a sensational sprint 20 yards from the finish.

EXCITING RELAY RACE

By a whirlwind finish Alfred Leconcy, of Lafayette, defeated Harold Lever, of Pennsylvania, in the final of the 70-yard dash. It was one of the upsets of the evening.

The most exciting race of the evening resulted in a dead heat between Princeton and Syracuse in the one mile relay race.

Larry Shields, fleet footed Pennsylvania runner, accounted for the one mile run in spectacular fashion. He carried the field of 30 around the banked track at a merry clip. He was closely followed by Douglas, of Yale, Burke, of Harvard, and Kirby, of Yale. One yard from the tape Shields broke what looked like a dead heat by a final lunge at the tape which won by inches.

Libby won the pole vault and Norman and Robert Brown, of Cornell came in first and second in the two mile run.

Special Dispatch to the Globe

NEW YORK, March 11—Leroy T. Brown of Dartmouth now holds the world's indoor record for the running high jump alone. In winning this event at the annual indoor track and field championships meet of the Intercollegiate A. A. A. A. in the 22d Regiment Armory tonight with a jump of 6 feet $4\frac{7}{8}$ inches he beat the standard figures set by himself and Johnny Murphy of Notre Dame this season. The old mark was 6 feet $4\frac{3}{4}$ inches.

After his winning effort Brown tried to clear the bar at 6 feet $5\frac{7}{8}$ inches, but failed.

Cornell won the title, with Dartmouth second.

"Larry" Shields, the Penn State star, put up one of the gamest finishes ever seen on a New York track in winning the one-mile run. His time was 4m 20 4-5s. Shields took the lead on the second lap. He was followed by Ed Kirby of Cornell. Walter Higgins, the Columbia miler, kept back with the field, evidently planning on a sudden burst of speed on the final lap to carry him across the winner. Shields kept his short lead over Kirby until the last lap, when Malcolm Douglas of Yale suddenly flashed out of the field and went by both the Penn State men and Kirby.

Great Finish by Shields

Shields kept close to the Yale man, and in the last 10 feet he fairly threw himself ahead of Douglas to win by a foot. Kirby was third. Higgins was coming fast on the last two laps, but saved his spurt until it was too late and finished fifth, Burke of Harvard taking fourth.

A capacity crowd of 10,000 turned out to witness the games. The big hall was gaily decorated with hundreds of college pennants and American flags. The crowd was so large that it was necessary to take care of the overflow in special seats strung along the side lines.

More than 500 men from the representative Eastern colleges competed in the 12 events.

A special board track with banked turns and the sprint straightaway, permitting of spiked shoes were in use, and gave the men exceptional opportunity to work up speed almost equal to their outdoor efforts.

Alf Leoney, the flatfooted Lafayette sprinter, won the 70-yard dash from Fred Lovejoy, the new sensation from Cornell. Lovejoy was off like a flash at the start, but Leoney picked up more speed after the start and lunged ahead of Lovejoy in the final strides.

The mile and two-mile relay races developed keen competition. The two-mile run ended in a battle between Norman and Robert Brown, both of Cornell.

Dead Heat in Mile Relay

The one-mile relay ended in a dead heat between Syracuse and Princeton. W. E. Stevenson of Princeton and Melvin Sutner of Syracuse running the last relay. Pennsylvania took the two-mile relay event with Cornell a close second and Georgetown third.

The two-mile run, won by Norman Brown in the last three yards from his teammate Robert Brown, derived its interest from the racing of these two alone, as the field was distanced at the half-way mark.

J. Fiske Brown of Harvard won the 35-pound weight event, contested at South Field this afternoon. The summary:

NEW YORK, March 11.—(By Universal Service.) — Cornell won the first annual indoor intercollegiate track and field championship meet tonight in the 22d Regiment Army by scoring 37½ points. Dartmouth with 26 points was second and Pennsylvania with 22 points third.

Leroy T. Brown of Dartmouth College established a world's record for the indoor running high jump when he cleared the bar at 6 feet 4⅞ inches. The old record was 6 feet 4½ inches.

All the leading colleges and universities of the East were represented. Gustavus Kirby, who arranged the details of the meet, acted as honorary referee. Athletes and college officials alike gave all the credit to Kirby for the great success of the meet.

The most exciting race of the evening resulted in a dead heat between Princeton and Syracuse in the one mile relay race.

The Syracuse team went into the lead at the start and gradually increased until the running of the last quarter, when Bill Stevenson, Princeton's ace, set out after Mel Suttner of the upstate college, who had a 15-yard lead. Bill did his work to a nicety, picking up three yards in the last ten of the race and broke the tape on even terms with Suttner.

The running of the two-mile race was almost a duplication of the intercollegiate cross-country championship, the Brown boys of Cornell, Robert and Norman, measuring stride for stride with first honors going to the latter by inches after a nip and tuck battle.

Norman led the field all the way until the last, when Robert jumped him and held the commanding position until five yards from the finish, when he made his final sprint and just managed to shove his chest over the tape in front of his college mate.

Pennsylvania University runners registered the second relay victory of the evening when the Quakertown quartet won the two-mile relay in a thrilling finish with Cornell and Dartmouth, Columbia

finished fourth, almost a lap behind Pennsylvania.

The first three teams to finish were on even terms until the last lap of the race, when Larry Brown of Pennsylvania staged a sensational sprint twenty yards from the finish and won by a yard.

Alfred Leconey of Lafayette sprang a surprise when he defeated Harold Lever of Pennsylvania in the final of the seventy yard dash in a blanket finish. At the halfway mark Lever was leading by inches, but in the closing stages of the race could not stand off the whirlwind finish of Leconey.

Harold Barron of Penn State evened the score against David Kimball of Cornell when he defeated him in the sixty yard hurdle race by a close margin. Kimball sprang a surprise a few weeks ago when, practically unheard of, he defeated Barron, who is the Olympic champion.

New York, March 11.—(By International News Service.)—With star athletes from all large Eastern universities entered, the first annual indoor track and field meet of the Intercollegiate Athletic Association opened tonight at the Twenty-second Regiment armory. The armory was filled to capacity.

Tribute was paid to Gustavus T. Kirby, official referee, through whose efforts the college track carnival was made possible.

The mile run was expected to furnish one of the thrills of the night, as Walter Higgins, captain of the Columbia university team, was out to break the record set by Jole Ray of 4:15 3-5.

Seventy sprinters were ready to face the starter in the 70-yard dash. In preliminary trial sprint champions from various parts of the collegiate world showed surprising form.

The high jumpers and pole vaulters got away early. This is the first time in many seasons that the pole vault has been included in an indoor meet.

One new world record was certain to be set for the sixty-yard hurdle race is not entered in the record book. Tonight's mark will set a record for others to strive against. Barron of Pennsylvania State was looked upon as the likely winner. There are four hurdles, each 42 inches higher.

The 55-pound weight-throwing event,

held at Columbia's athletic field in the afternoon, was won by S. A. Brown of Harvard, who tossed the iron 44 feet 7 inches.

TRACK AND FIELD

The first annual indoor intercollegiate track and field championship meet, held at the Twenty-second Regiment Armory on Saturday night, was such a tremendous success that it caused many to stop and ponder why the I. C. A. A. A. had waited so long before making this event a regular part of the intercollegiate track program. Fully 6,000 persons witnessed the meet, which from every viewpoint was one of the most successful ever staged in the East. With the decision of the I. C. A. A. A. to conduct these meets yearly on a championship basis, practically every athletic institution in the East sent forth its best timber to contest for the honors.

To Jack Moakley's well-rounded and carefully trained Cornell team went the honor of being the first to score a victory, the Ithacans rolling up a huge total of points that put them far in the van of Dartmouth, Princeton, Pennsylvania, Yale, Harvard, and the eleven other Eastern colleges which were represented.

The meet ran true to form, it being predicted in advance that some new marks would be created. One world's record was hung up when LeRoy Brown, Dartmouth's famous high jumper, wriggled over the bar at 6 feet 4 $\frac{1}{4}$ inches, thereby topping his previous mark of 6 feet 4 $\frac{3}{4}$ inches, established in the Harvard-Cornell-Dartmouth triangular meet, held in Boston only a fortnight or so ago. While Brown's performance was the only record-breaking one, there were several other noteworthy achievements, among them the quarter-mile turned in by Bill Stevenson, the Tiger track captain, in the last quarter of the mile relay in which he managed to breast the tape on even terms with Suttner, the Syracuse flier, after the latter had been touched off to a big lead by Allen Woodring. Stevenson's time for the distance was 0:49 2-3, great running on an indoor track. Other notable performances were those of Larry Shields of Penn State in the mile run, Le Coney of Lafayette in the dash, Libby of Dartmouth in the pole vault and Barron of Penn State in the hurdles.

BROWN MAKES NEW RECORD IN JUMP

Star Breaks World's Indoor
Mark by Clearing Bar at
6 Feet $4\frac{7}{8}$ Inches.

CORNELL CAPTURES TROPHY

Leroy Brown, Dartmouth's great high jumper, established a new world's indoor record in the first annual indoor championship meeting of the Intercollegiate Association of Amateur Athletes of America at the Twenty-second Regiment Armory last night. The Green jumper cleared the bar at 6 feet $4\frac{7}{8}$ inches, breaking his own mark made at the triangular meet in Boston two weeks ago by one-eighth of an inch.

The trophy went to Cornell's well-balance team, who scored a total of $35\frac{1}{2}$ points, with Dartmouth in second place with 25, and Pennsylvania a close third with 24.

The other points were scored as follows: Princeton, 16; Penn State, 14; Yale, 12; Harvard, $8\frac{1}{2}$; Amherst, $6\frac{1}{2}$; Boston College, 6; Lafayette, 5; Syracuse, $4\frac{1}{2}$; Brown, 4; Columbia, 4; Fordham, 3; Georgetown, 3; Massachusetts Institute of Technology, 3; New York University 3.

Pennsylvania jumped into third place when Chow, the Blue and Red Chinese jumper, landed a victory in the broad jump with a leap of 21 feet $10\frac{1}{2}$ and his teammate, Rose, captured second place, five inches back of the winner.

Runners in Dead Heat

The one-mile relay furnished the feature contest of the evening when Stevenson, the Tiger anchor man, and Suttner of Syracuse breasted the tape together, the judges calling it a dead heat. The Princeton runner started far behind, Woodring, Syracuse's third runner, giving Sattner a 20-yard lead.

In the final stretch, however, Stevenson made a desperate drive and just caught the Orange runner at the tape. Stevenson's time was given out at 49 2-5 for the quarter.

Massachusetts Tech lived up to its advance reputation by giving the leaders a race until the last few laps. The time for the mile was 3.22 8-10, five seconds behind the collegiate mark made by the Penn quartet in 1915 in the Philadelphia relays.

Another sterling performance was turned in by Larry Brown, the Penn middle distance runner, who, in the final 880 yards of the two-mile relay event, stepped off the distance in 1:55 2-10.

"Alf" Lecony, the Lafayette sprinter, came within a fifth of a second of the record in winning the seventy-yard dash. He stepped the distance in 0:07 3-10. In gaining his victory, Leconey turned back such stars as Lovejoy of Cornell, Lever of Pennsylvania, Carter of Brown and Graeb of Columbia.

Barron was an easy winner in the sixty-yard hurdle event, stepping over the obstacles in 0:07 8-10.

It was estimated that there were fully 6,000 spectators on hand before the first event started. The new I. C. A. A. A. A. track was installed and every effort made to guard against the mishaps caused in the junior A. A. U. championship by the leaking roof.

The famous Pennsylvania team gained a great victory in the two-mile event, defeating Cornell, Georgetown and Columbia. McMullen took the lead in the second half mile, and gave Holden

McLane Stars in Relay.

Elmer McLane, the Blue and Red freshman star, ran his team to an easy victory in the freshman medley relay over a mile and seven-eighths route. Cornell's colors were not in front for the first half-mile, but Lawson Robertson's pupils went out in front and the Pennsylvanians were never headed thereafter, McLane winning as he pleased in 7:45 2-10. Dartmouth nosed out Cornell at the finish for second place.

Larry Shields, the Penn State distance star, gained a distinct triumph in the mile run, in which he took the measure of such stars as Kirby of Cornell, Malcolm Douglas of Yale, Burke of Harvard and Walter Higgins, Columbia star, who finished in that order. The winner ran a heady race, leading the procession until the gun was fired for the last lap when Moakley's pupil jumped into the foreground. On the final turn, however, Shields uncorked a great burst of speed and was the winner by a yard over Kirby.

Higgins, who was the favorite, was never in the running, being killed off by the terrific pace set by Burke of Harvard and Shields. Douglas closed with a rush on the final turn. The time was fast, being 4:20 8-10, only six and two-fifths seconds behind the outdoor intercollegiate record held by John Paul Jones of Cornell.

Cornell Wins Intercollegiate Indoor Championship in Great Track Meet in N. Y.

*Moakley Men Score Most Im-
pressive Victory Since the
War — Well Balanced
Team Does the Trick —
N. Brown Beats R. E.*

The Cornell track team won its most impressive victory since the war in New York Saturday when it captured the Indoor Intercollegiate championship games of the I.C.A.A. A.A. held in the Twenty-second Regiment Armory after an interim of several years. Cornell scored a total of 35 1-2 points; Dartmouth was second with 25 and Penn third with 24. The others finished as follows:

Princeton, 16; Penn State, 14; Yale, 12; Harvard, 8 1-2; Amherst, 6 1-2; Boston College, 6; Lafayette, 6; Syracuse, 4 1-4; Columbia, 4; M.I.T., 3; N.Y.U., 3.

An outstanding feature was the setting of a new world's indoor record of 6 feet 4 7-8 inches for the high jump, made by Leroy Brown of Dartmouth. Both the Penn and Cornell two-mile relay teams smashed the indoor record for this distance, the Red and Blue quartet finishing in 7 minutes 55 1-5 seconds, with the Red and White but 2-5 of a second behind. The former record, held by Penn, was 8 minutes.

Over 10 Points Ahead.

Nearly 500 athletes, the cream of the eastern college world, competed and the Cornell victory was all the greater because of the quality of the competition. Six thousand persons saw the Red and White triumph, which was achieved in the characteristic Moakley fashion by an all-around, well-balanced team. Of the 10 events on the program, Cornell scored in nine.

In the two-mile run the Browns of Cornell outclassed their field. The two-mile relay lost to the crack Penn team by about a yard in a brilliant race. Lovejoy of Cornell was inches behind Leconey, the winner of the 70-yard dash and Kimball a few inches behind Barron of State in the 60-yard high hurdles. The Cornellians also made a good showing in the 35-pound weight event and pole vault. The track was a beauty and the competition in all the heats and finals high class.

The most exciting race of the evening was the one-mile relay, which resulted in a dead heat between Princeton and Syracuse. The Orange team went into the lead from the start and gradually increased it until the running of the last quarter, when Stevenson, Princeton ace, set out after Suttner of Syracuse who had a 15-yard lead. Stevenson gained steadily and picked up three yards in the last ten of the race, breaking the tape on even terms with Suttner.

Penn registered the second relay victory of the evening by winning the two-mile event in a thrilling finish from Cornell and Dartmouth. McMullen led off for Penn and Strickler, who was the first runner for Cornell, hung back for three laps and then let himself out, gaining a lead of several yards before passing the baton to Rauch, who ran second for the Red and White. Meredith of Penn gradually closed down on Rauch and gave the stick to Lewis with a fair lead in his possession. Cook pulled this down

for Cornell and in the final relay Carter of Cornell ran against Brown of Penn, the latter starting off several yards to the good. Carter ran a wonderful race and rapidly gained on the Penn runner, finishing only half a yard behind him in spite of Brown's sensational sprint 20 yards from the finish.

N. P. Beats.

The two-mile run finished one of the thrills of the evening when R. E. and N. P. Brown, both of Cornell, distanced the rest of the field at the half-way mark and ran the remainder of the race fighting it out against each other. N. P. led the field from the start until the last lap when R. E. jumped to the fore and held the commanding position until five yards from the finish when N. P. made a final desperate sprint and barely managed to forge across the tape a winner taking this event from R. E. for the first time since the two have been running together.

Leconey of Lafayette and Lovejoy of Cornell sprang a surprise when they defeated Lever of Penn in the final of the 70-yard dash. At the halfway mark Lever was leading by inches but could not stand the whirlwind finish of Leconey and Lovejoy. The Cornell runner made a poor start but climbed rapidly down on the field and was beaten by a hair.

Barron Evans Up in Hurdles.

Barron of Penn State, Olympic hurdling champion, who was beaten by Kimball of Cornell in the Cornell-Penn State dual meeting at Ithaca last week, evened the score Saturday night when he won the 60-yard high hurdles, breaking the tape about six inches in the lead. Kimball sprained his ankle in the broad jump but whether or not the injury will prove serious is not known as yet.

Shields, Penn State's champion miler, ran his event in spectacular fashion, jumping into the lead from the start and setting a fast pace for his 30 followers. Douglas of Yale, Burke of Harvard and Kirby of Cornell were close on his heels, but Shields held first place for three-quarters of a mile when Kirby

sprinted from fourth position into the lead, thinking he was two laps from the finish when he was three. His mistake cost him the race and in the last lap Shields shot past with Douglas hanging close. A yard from the tape Shields lunged forward and won by inches from Douglas. Kirby, who started his sprint too soon, finished a good third.

The field events brought out some splendid performances, although the men were handicapped by conditions that they were unused to. Libbey of Dartmouth won the pole vault by clearing the bar at 12 feet and five vaulters tied for second place with the bar at 11 feet 6 inches. Those who tied were Stevens and Guoinlock of Cornell, Needs of Penn, Smith of Dartmouth and Gardner of Yale.

Leroy Brown, Dartmouth's phenomenal high jumper, made a leap of 6 feet 4 $\frac{7}{8}$ inches, establishing a new world's indoor record for the event. He outjumped Clark of Amherst, his nearest competitor, by 4 $\frac{3}{8}$ inches. Nichols, jumping for the Red and White, squeezed into a tie for fifth place with Horse of Harvard, clearing 5 feet 8 $\frac{1}{4}$ inches.

J. F. Brown had little difficulty in winning the 35-pound weight event for Harvard, heaving the lead 47 feet 11 inches while Wagar of Cornell was easily the best of the remaining weight men, making a toss of 43 feet 4 $\frac{1}{2}$ inches for second place. Tobey also placed for Cornell in the trailing position with a throw of 39 feet 8 $\frac{1}{2}$ inches. Princeton took first in the 16-pound shotput when Thompson made 44 feet 4 $\frac{1}{2}$ inches, Bell of Boston College following in second place while Cornell failed to score.

Freshman Relay Third.

Cornell's freshman relay team, made up of J. A. Glick, Coykendall, Severance and North, managed to place third over the 1 $\frac{1}{8}$ mile course, following Penn and Dartmouth across the finish in the order named.

The Cornell supporters had an entire section reserved in the stands and all seats were sold out early in the afternoon. They had the most enthusiastic cheering section in the flag bedecked armory and were given opportunities to cheer, both in the heats and the finals where the up-state runners showed to advantage. A trophy in the form of a bronze gladiator standing 18 inches high was awarded Cornell and this will be a permanent addition to their collection.

Penn Relay Teams Win

Two relay teams and four athletes competing in their favorite events enabled the University of Pennsylvania track team to finish in third position in the renewal of the indoor intercollegiate Saturday night in New York. Cornell, as predicted, won the meet with 35½ points, Dartmouth was second with 25 and Penn third with 24. Fourteen other colleges scored points in the meet.

The victory of Fred Chow, the Penn Chinese, in the running broad jump, was a big surprise, for the Pekin resident was starting in his first big competition and was not figured, even by the Penn adherents as having better than a chance to place. Rose, of Penn, who finished second to Chow, also provided the collegians with something to talk about.

The running of the two-mile relay

team of Penn was sensational. Having broken the Illinois record for the event only a week previous, the Red and Blue, with Penn State out of it because of an injury to Helfrich, was the favorite at the start. The event narrowed down to a battle between Cornell and Penn, with Penn winning out through the medium of some exceptional running by Ed McMullen and Captain Larry Brown.

Best Indoor Time

In winning the event the Penn quartet made the best time this season indoors for the event, covering the two miles in 7 minutes 55 1-5 seconds, six and one-fifth seconds faster than on the track at Illinois and within two-fifths of a second of the world's record indoors made by the Irish-American quartet in 1905 in Buffalo.

George Meredith, running first for the Red and Blue, dropped fifteen yards, but Ed McMullen, the former Central High School star, made up the loss and added ten yards, sending Johnny Holden off with a good lead. Holden had a battle all the way but managed to hand the baton to Larry Brown two yards in advance of the fourth Cornell runner. Carter of Cornell, running last, challenged Brown several times, but in the sprint down the stretch the Penn leader put on an extra burst of speed that carried him across the tape a winner by ten full yards.

The Red and Blue Freshman team outclassed the field in the medley race by almost a hundred yards, Dartmouth finishing second, Cornell third, Yale fourth and Harvard last. Sam Kerr, recently selected for the English trip, ran the half mile, Jensen, the former Cedar Rapids star, the quarter, Hayes the 220 and McLane, also selected for the four-mile team, the mile.
