

2nd Intercollegiate Amateur Athletics Association of America Championships  
 Twenty-Second Regiment Armory & Squadron A Armory, New York, NY  
 March 3, 1923

The Second Annual Indoor Championship Athletic Meeting was held in the Twenty-Second Regiment Armory, New York City, on the 3d day of March, 1923. One world's record was shattered and six intercollegiate marks were broken when the athletes from the University of Pennsylvania won the championship. The intercollegiate marks which fell were in the 70-yard dash, 1-mile run, 2-mile run, 35-pound weight throw, pole vault and in the shot. It was in the first of these events that Harold Lever of Pennsylvania broke the world's record, breasting the tape in 7.1s.

The entire list of events with the exception of the 35-pound weight was held at the above armory, the 35-pound weight event being held by the courtesy of Squadron A at its armory.

The following members of the Association were represented, each member starting the number of athletes set opposite its name:

Harold B. Lever, sterling little sprinter of the University of Pennsylvania, dashed to a new world's record last night in the Twenty-second Regiment Armory in winning the 70-yard sprint title at the second annual indoor athletic meet of the Intercollegiate Association of Amateur Athletes of America. Lever flashed to victory in 7 1-10 seconds, 1-10 second better than the old record. Lever breasted the tape about a foot ahead of Al Leconey, Lafayette College sprinting star, who was defending the title he won last year. Third honors went to Earl J. Rusnak of Yale. F. K. Lovejoy, Cornell sprinter, finished fourth and Vic Graeb of Columbia University was fifth.

The record sprint thrilled a crowd of 5,000 which packed the spacious drill shed of the Engineers' Regiment. Both Lever and Leconey had previously shattered the old intercollegiate 70-yard mark of 7 3-10 seconds and equaled the world's record for the dash when they won their respective semi-final trials in 7 2-10 seconds.

The final brought into conflict the best of the country's collegiate sprinters. It was a thrilling race through every yard of its scant distance and when the finish line was reached the spectators witnessed a finish which for closeness seldom has been surpassed in collegiate competition. Less than a yard separated the winner and the fifth man, so closely bunched were these college sprinters when they dashed over the finish line after their exhibition of blinding speed.

Lever, the smallest in the field of five which faced the starter for the final, was off like a flash. As the field tore down the straightaway, Lever, stepping over the specially constructed track like a scared jack rabbit, sprinted in front while the armory rang with the cheers of the crowd encouraging the sprint rivals in their great struggle. Leconey, two lanes removed from Lever, fought with every ounce of his strength in the effort to retain his title. But the best the great Lafayette flier had was not good enough against the Lever of last night. The Red and Blue flier thundered on and on, and did not stop until he banged against the armory wall, thirty or more yards beyond the finish line.

Douglas of Yale. The Georgetown crack, leading after the first quarter mile, fought off Douglas's challenge in the closing furlong and won by ten yards in 4:17 8-10. The old record was 4:20 8-10. Douglas finished about ten yards ahead of E. B. Kirby, Cornell's miler, who was third.

Elmer McLane, Pennsylvania's distance star, gathered in the two-mile title after a race in which he eclipsed the old record of 9:45 6-10. The Red and Blue wearer, made a walk-away of this title race, winning by a margin of sixty yards from Walter Higgins, Columbia's star. Bob Moore, another Blue and White wearer, was third. McLane's time was 9:39 3-10.

In the pole vault Benjamin Owen and Nelson B. Sherrill of Pennsylvania shared the title and also the distinction of making a new intercollegiate record. Each of the Red and Blue vaulters cleared the cross bar at the dizzy height of 12 feet 6 inches, an improvement of 6 inches over the old record of 12 feet made last year by Kenneth Libbey of Dartmouth. Libbey, with E. V. Guinlock, Cornell and Harry Davis of Harvard, tied for third honors.

Albert E. Rose of Penn created a new record in winning the running broad jump title. He jumped 22 feet 3 1/4 inches. The former mark was 21 feet 10 1/2 inches, made by T. Chow, Pennsylvania, last year. Paul Courtois, New York University, was second with 21 feet 8 inches.

#### Hills Also Breaks Record.

The other record was made by R. G. Hills, Princeton's crack shot putter, who recently created a new world's indoor record. Hills heaved the 16-pound missile the winning distance of 45 feet 8 1/4 inches, displacing the record of 43 feet 5 1/2 inches made last year by S. Harrison Thomson, Princeton's all-round star. His mighty heave gave Hills the title by a comfortable margin for his nearest rival, Charles A. C. Eastman of Harvard, could get the ball out to only 42 feet 5 1/4 inches.

The deadlock between Owen and Sherrill of Pennsylvania in the pole vault, which closed the program, gave the Red and Blue squad of Lawson Robertson the team title. The Pennsylvania team finished with the winning total of 29 points, a margin of three points in excess of that compiled by Cornell, last year's winning team. Dartmouth was third with 18 tallies. Yale tied for fourth with Princeton, each getting 13 points.

# PENN FLASH, LEADING CLASSY FIELD; LOWER'S WORLD'S MARK WITH LAFAYETTE MAN AT HIS HEELS; MILE RECORD LOWERED

## Indoor Intercollegiate Games Furnish Thrilling Performance—Connolly Clips Three Seconds From Mile Mark—Record Breaker Just Over Illness—Penn Captures Meet

New York, March 3.—(L. N. S.)—Harold B. Lever, of the University of Pennsylvania, established a new world's record of 7 1-10 seconds for 70 yards indoors in winning this event tonight at the annual indoor intercollegiate track and field championships. He headed such remarkable sprinters as Al. Leconey, of Lafayette, and Frank Lovejoy, of Cornell, at the tape, showing the way to Leconey by six inches.

Lever's effort was the more remarkable because he rose from the proverbial "sick bed" to compete in the games. Indeed, it is said that Lawson Robertson, the Penn coach, seriously considered scratching Lever's name from the list of entries.

That he did not will forever remain a source of sorrow from J. J. Archer, of the old Irish-American A. C.; Billy Shick, of Harvard; Bobby C. Loughlan, Howard Drew and others who held the old record of 7 1-5 seconds in their joint possession.

Lever and Leconey broke in front, but in the first ten yards the Pennsylvania entry pulled out in front by the slight margin that gave him the victory and the record over the outdoor sprint champion. Earl Rusnak, of Yale, was third, one foot back, just nipping Lovejoy, of Cornell, and Vic Greb, of Columbia, at the tape.

The acclaim which greeted this performance had barely subsided when Jimmy Connolly, of Georgetown, came out on the track to run his field absolutely dizzy in winning the one mile run in 4.17 8-10, breaking the old record, held by Larry Shields, by nearly three seconds.

Connolly's performance in winning the mile run was a classic. Jimmy was chased from pistol to tape by Mal Douglas, of Yale, and E. B. Kirby, of Cornell, but he maintained his command of the situation almost from first to last, drawing away from Kirby two laps from home and fighting off Douglass on the bell tap.

The Yale entry moved up in front of Douglas on the bell tap, but did not have enough left to catch Connolly, who came home by ten yards. Douglas was an equal distance in front of Kirby.

The time by quarters, with Connolly leading most of the way, was 63 seconds, 2.09 3-5, 3.13 1-5 and 4.17 8-10.

#### Special Dispatch to the Globe

NEW YORK, March 3.—In a meet featured by the breaking of one world record and six intercollegiate marks, Pennsylvania carried off the team championship at the annual I. C. A. A. A. meet tonight with 29 points, leading Cornell by three points, with Dartmouth taking third honors with 18 points.

Pennsylvania snatched victory in the last two events, when it took nine points in the pole vault and Rose captured the broad jump.

The Boston College two-mile team scored a great victory in the two-mile relay, beating Penn State and Georgetown in 7m 55 5-10s. The speedy Harvard freshman team captured the medley relay for first-year athletes. C. A. C. Eastman, Harvard football star, took second in the shotput and Davis of Harvard was in a triple tie for third in the pole vault.

#### B. C. Second in Mile Relay

Boston College's relay teams completed a good night's work when the mile quartet finished third.

Dartmouth proved less of a factor than expected, though Capt. LeRoy Brown won the high jump, and Princeton, picked by many to win, only tied for fourth, its mile relay team suffering its first defeat of the season.

Harold Lever, star sprinter of the Pennsylvania team, was the outstanding hero, because of his wonderful performance in the 70-yard dash in which he broke the world's record by 1-10 of a second. His time was 7 1-10s. The next record was 7 3-10 second, made last year by J. A. Leconey of Lafayette, who was second tonight.

The five other events in which the meet records were broken were the one-mile run, the two-mile run, the 35-pound weight throw, pole vault and shotput.

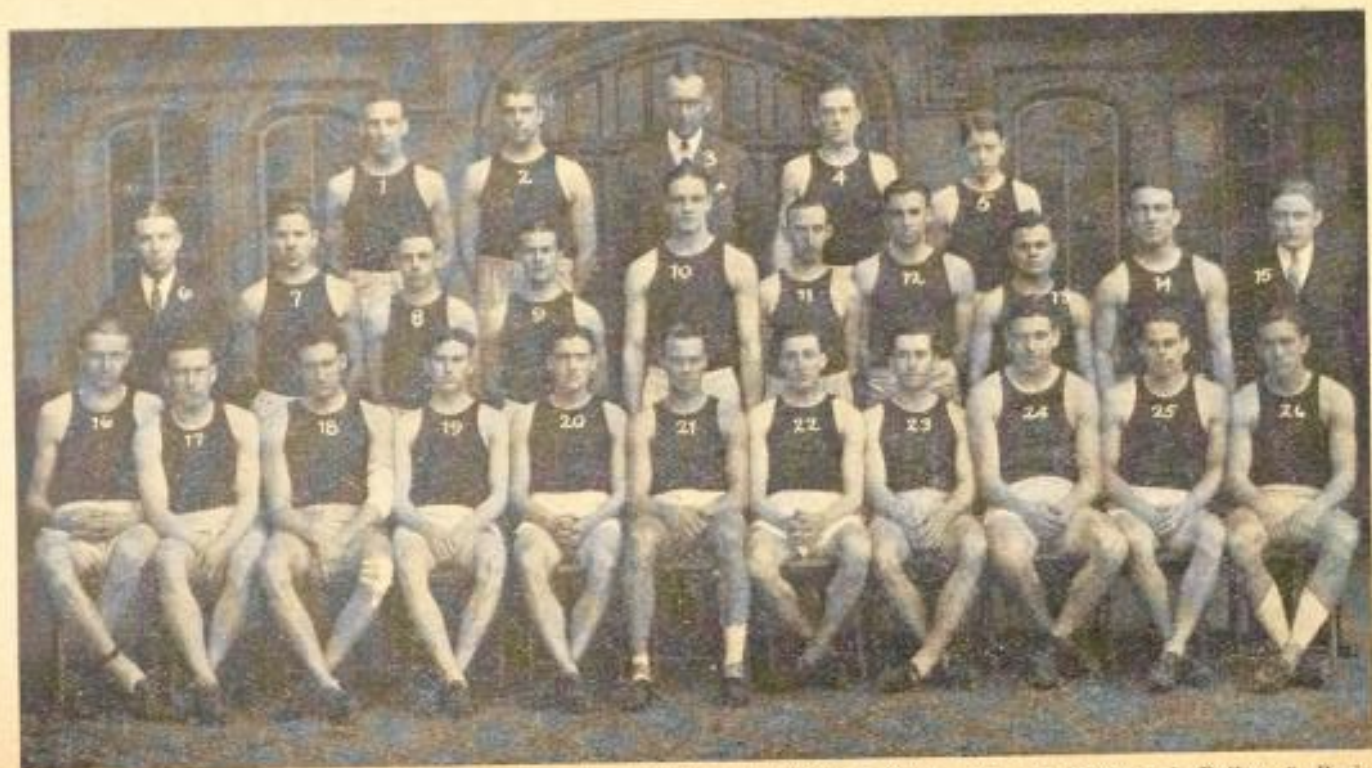

Jimmy Connolly of Woburn, Mass., who represents Georgetown University, was second in individual glory of the meet. Connolly clipped three seconds off the previous record for the mile run, when he ran the race in the exceptionally fast time of 4m. 17 8-10s. The old mark was 4m. 20 8-10s, made last year by Marion L. Shelds of Pennsylvania State.

Connolly, in scoring his victory, was forced to defeat a great field of college milers. Mal Douglas of Yale was second, finishing eight yards behind the Georgetown star, and Ed Kirby of Cornell was third. Connolly went into the front at the third lap and was never headed.

#### Tootell Sets Weight Record

Fred D. Tootell of Bowdoin was another athlete who clipped a big slice off the previous mark when he shattered the 35-pound weight record with a toss of 32 feet 9 1/2 inches. The old record was 47 feet 11 inches, made last year by J. F. Brown of Harvard. Merwin Swenson of Dartmouth was second to Tootell.

One factor which was largely responsible for the shattering of so many records was the fact that this was the second intercollegiate championship meet and the marks made last year stood as the records.
