NEW YORK, March 7 (AP) — A poor showing by Maryland in the field events left the way open for powerful Villanova to walk to its fourth consecutive IC4A indoor track and field championship today.

Maryland, cofavored with the Wildcats for this 49th edition of the IC4A, which drew almost 1,000 athletes from 66 colleges at Madison Square Garden, saw Maryland gain only four points in three afternoon finals.

Villanova, aiming for its 11th title in 14 years, had no field contestants, relying on its fleet runners, led by Marty Liquori and Larry James, to gain the championship, which consists of 13 events.

Roger Taylor of Syracuse took the shot put with a toss of 56 feet 5 inches while the best Maryland could do was a fourth place by Bill MacLachlan. Favored Jan Hanley of the

Terrapins suffering from a sore arm, placed 10th.

In the 35-point weight throw Tom Sirois of Northeastern had the best toss at 69 9½. Defender Ed Nosal of Harvard was third in this event, held at Columbia's Baker Field.

Glen Fausset of Cornell took the long jump at 24-1¾, upsetting favored Skip Hare of Harvard, who did not place. Mike Neff of Maryland grabbed a fourth place, picking up two points.

The scoring was based on a 6-4-3-2-1 system.
