ECAC, THE NATIONWIDE LEADER IN SERVICE™

EASTERN COLLEGE ATHLETIC CONFERENCE

Since its foundation 66 years ago, the ECAC has emerged as the nationwide leader in service. The ECAC will administer 113 championships in 35 men's and women's sports for over 125,000 student-athletes and the officiating bureaus will assign more than 40,000 officials in 15 different sports. The Conference has grown significantly from 58 charter members to today having 316 member institutions in Divisions I, II and III, ranging in location from Maine to North Carolina.

Leadership

Inaugural commissioner Asa S. Bushnell molded the organization from its formation in 1938 to his retirement in 1970. George Schiebler succeeded Bushnell as commissioner from 1970-72, followed by Robert M. "Scotty" Whitelaw (1972-89) and Clayton Chapman (1989-98). Current commissioner Phil Buttafuoco assumed chief administrator duties on July 1, 1998. Under Buttafuoco's leadership, the ECAC is committed to becoming the nation's leader in conference services and to setting the standard by which all others are measured.

Location

The ECAC's headquarters, the Asa S. Bushnell Center, is located in Centerville, Massachusetts on Cape Cod. The picturesque Cape is the site of the annual fall convention and honors dinner as more than 300 athletics administrators attend membership committee meetings, professional seminars, and tournament and affiliate meetings.

History

The ECAC was founded as the Central Office for Eastern Intercollegiate Athletics in 1938. In 1983, one of the most significant events in ECAC history occurred as the Eastern Association of Intercollegiate Athletics for Women (EAIAW) was consolidated into the ECAC. With the addition of women's sports, the ECAC doubled its number of championships and greatly increased its membership. Through the years the ECAC has been a leader both regionally, and nationally. Comprising more than 32 percent of the National Collegiate Athletic Association (NCAA) membership, the conference plays an active role in national collegiate athletics policy and legislation. The conference continues to address many of the same issues affecting college athletics in the past while striving to be an industry leader in the 21st century. The ECAC was recently honored with induction to the New England Basketball Hall of Fame for its numerous contributions to the sport of basketball.

Championships

The ECAC administers 113 preseason and postseason events, including the ECAC Collegiate Rowing Series, IC4A cross country and track and field, IFA fencing, EIWA and men's EIGL championships. From 1997 to 2001, the ECAC sponsored conference championships in "endangered" (men's gymnastics, men's water polo) and "emerging" (women's synchronized swimming, women's water polo) sports with funding from the USOC as well as men's wrestling and men's and women's fencing.

Officiating

The ECAC assigns officials in 15 sports in Divisions I, II and III, including baseball, men's and women's basketball, fencing, field hockey, football, men's gymnastics, men's and women's ice hockey, men's and women's lacrosse, men's and women's soccer, softball and wrestling. In addition, the ECAC officiating bureaus provide clinics and workshops, improving the level of officiating and attracting the most qualified collegiate officials. The bureaus assign for both conference and NCAA championships.

Public Relations

The ECAC publicizes the achievements of its member institution's student-athletes through weekly and postseason awards. Annually, the publicity bureau recognizes more than 3,500 student-athletes in the sports of football, field hockey, men's and women's soccer, volleyball, cross-country, ice hockey, men's and women's basketball, baseball, lacrosse and softball. The recognition awards program honors student-athletes, administrators and officials at the fall convention. The promotion and distribution of the prestigious ECAC Lambert Football Poll is another added service by the conference.

Convention and Meetings

The business of the ECAC is conducted at the annual fall convention as well as meetings held each summer, providing the membership opportunities to discuss and vote on conference-wide issues and concerns.

Legislative Services

The ECAC maintains a legislative and compliance service to assist the membership with the application of NCAA and ECAC regulations. The conference sponsors workshops and seminars, processes hardship waivers and facilitates the Collegiate Commissioners Association National Letter of Intent program.

Sponsorships

As a non-profit organization, the ECAC actively pursues relationships with Corporate America to provide support for its programs and services. Through sponsorship, the ECAC enhances championship events for participants while supplementing associated event operation expenses. Conference sponsors may receive, but are not limited to, official access to the membership, television exposure, event signage, event entitlements, tickets and hospitality, and the opportunity to promote volume incentive buying programs to the membership.

Television

ECAC Productions coordinates with institutions, television vendors and broadcast partners to produce and obtain clearances of quality sports programming to promote the conference and its members. Televised sports events include football, men's and women's ice hockey and wrestling. These events are aired through partnerships with regional sports networks including the New England Sports Network (NESN), the Yankee Entertainment Sports Network (YES) and Leafs TV.

Technology

The conference's two Web sites feature real-time management and cutting-edge technology. The nation's leading online officiating system site is a password-protected extranet that allows for real-time access to its membership and officials as changes occur to their schedules. The Conference's main Web site is managed by a custom developed auto-content management system, giving the staff the ability to release conference news as it happens. The site also offers interactive polls and features for the fans. The ECAC is also on the forefront of other Web-based technology including an officials' payment service named OPS.

Internship Program

The prestigious Asa S. Bushnell internship, named after the ECAC's first commissioner and established in 1976, offers students from ECAC institutions hands-on experience in all areas of operation of the nation's largest athletic conference. Former interns proudly represent the ECAC in all fields of the sports industry as directors of athletics, commissioners, broadcasting executives, professional franchise front-office positions, sports information directors and coaches.

Special Events

The ECAC hosts events such as the Eastern College Football Awards Banquet, the ECAC Division I Women's Soccer Classic on Cape Cod, as well as the annual convention and trade show. The ECAC will co-host the 2004 NCAA Women's Frozen Four in Providence and will also host the NCAA Division II Indoor Track and Field Championships at the Reggie Lewis Center in 2004 and 2005.

Dear Cross Country Fans,

As the Eastern College Athletic Conference commences its 66th year, I am proud of the commitment the conference has made to the Intercollegiate Association of Amateur Athletics of America (IC4A) and to the sport of cross country. Our partnership with the IC4A, the oldest and most prestigious collegiate cross country and track and field organization in the United States, has afforded both organizations increased opportunities and enhanced experiences for our student-athletes. Host of championships for 127 years, the IC4A is dedicated to promoting and developing the growth of cross country. Together, we continue to seek new ways to fulfill the ECAC mission of initiating, stimulating and improving intercollegiate athletics programs. I take pride in our association, the progress we have made and the direction we are heading.

I salute the former ECAC and IC4A student-athletes who have distinguished themselves in past competitions and those who will strive for excellence this weekend.

Enjoy the event.

Philip A. Buttafuoco
Commissioner of the ECAC
