RULES TO GOVERN THE AWARDING OF THE CHAMPIONSHIP CUP FOR THE ANNUAL CROSS COUNTRY RUN.

Rule 67—Championship Cup.

This cup shall be awarded to that member of the Intercollegiate Association of Amateur Athletes of America which shall win the Varsity Cross Country Run five times, excluding ties.

In the case of two or more members of the Association scoring an equal number of points, then if one of these members shall have been champion for the previous year, that member shall continue to hold the championship and cup for the ensuing year. If, however, neither of the members so tying was champion the year before, then for the ensuing year the championship shall be held in abeyance and the cup shall be kept by the Association.

The members winning or tying for the Intercollegiate Championship shall have their names inscribed on the cup, together with the date and place of the annual cross country run.

Rule 68.

All disputes in regard to the possession of the cup shall be referred to the Executive Committee of the Association.

Rule 69—Trophies.

There shall also be awarded each year, to the winner of the Varsity Cross Country Championship for its permanent possession, a trophy which shall be a bronze reproduction of the insignia of the Association, that is, the Borghese Gladiator.

There shall be in addition to the Championship Trophy above mentioned two trophies awarded, one to the winner of second place and one to the winner of third place in such championship, which trophies shall be reproductions of the Championship Trophy, but shall be of smaller size than such trophy, and the third place trophy shall be smaller than the second place trophy. These trophies shall become the permanent possession of the winners of the same. All the above trophies shall be suitably inscribed.

Rule 70—Points—Scoring.

Section 1. That member of the Association shall be champion which shall score the lowest number of points.

Section 2. Points shall be counted as follows:

First place shall count	1 point
Second place shall count	2 points
Third place shall count	3 points

and so on; each contestant having scored against him a number of points represented by the place in which he finishes.

Each competing member of the Association shall have scored against it the total of points tallied by the first five contestants competing for such member.

After a member has finished five of its contestants the remaining contestants of such teams, if any, who may finish, shall also be tallied in ascertaining the position of the teams of other members of the Association.

If less than five contestants representing a member of the Association finish, such member shall receive no rank in the contest and the individual contestants representing such member shall not be scored in determining the championship and the positions of the other teams.

If, however, any individual contestant wins, or ties for first, second, third, fourth or fifth place, nothing herein contained shall be held to deprive such contestant of any medal to which he might otherwise be entitled, pursuant to the provisions of Rule 72.
