Van Cortlandt Park's Cross Country Courses

I.C.A.A.A. FRESHMAN CHAMPIONSHIP RACE (3 Miles)

To be run over 3-mile course, indicated on map by dot-and-dash line with distance points designated by stars (★). Course is marked at frequent intervals by distance posts and direction signs, all **Red** in color.

Freshman competitors should follow **Red** signs from start of race to finish.

SPECIAL NOTE: 2 1/2-mile course (see unbroken line and triangular marks on map) will **not** be used in either race, unless adverse weather conditions cause the referee to decree that the Varsity Race be run twice around it; barring announcement to such effect, its **Yellow** sign posts should be **ignored**.

I.C.A.A.A. VARSITY CHAMPIONSHIP RACE (5 Miles)

To be run over 3-mile course and 2-mile course in that order. 3-mile course, race's first lap, is indicated on map by dot-and-dash line with distance points designated by stars (★); this course is marked at frequent intervals by distance posts and direction signs, all **Red** in color. 2-mile course, race's second lap, is indicated on map by dotted line with distance points designated by large dots (●); its distance posts and direction signs are **Blue** in color.

Varsity competitors should follow **Red** signs from start of race for 3 miles until southwest corner of course is reached (see upper left hand corner of map); they should then follow **Blue** signs for remaining 2 miles to finish of race.

FOR BOTH RACES, SPECIAL STARTING LINE WILL BE USED (SEE MAP).
