2010 ECAC® IC4A Cross Country Championships

Dear Cross Country Fans,

As the Eastern College Athletic Conference celebrates its 72nd year, I am proud of the commitment the conference has made to the Intercollegiate Association of Amateur Athletes of America (IC4A) and to the sport of cross country. Our partnership with the IC4A, the oldest and most prestigious collegiate cross country and track & field organization in the United States, has afforded both organizations increased opportunities and enhanced experiences for our student-athletes. Host of championships for 130 years, the IC4A is dedicated to promoting and developing the growth of cross country. Together, we continue to seek new ways to fulfill the ECAC mission of initiating, stimulating and improving intercollegiate athletics programs. I take pride in our association, the progress we have made and the direction we are heading.

I salute the former ECAC and IC4A student-athletes who have distinguished themselves in past competitions, and those who will strive for excellence this weekend.

Enjoy the event.

In addition, the ECAC provides leadership assistance for numerous affiliate organizations including the Intercollegiate Association of Amateur Athletes in America (IC4A), Intercollegiate Fencing Association (IFA), Eastern Intercollegiate Gymnastics League (EIGL), Eastern Intercollegiate Wrestling Association (EIWA), Eastern Association of Rowing Colleges (EARC), Eastern Association of Women's Rowing Colleges (EAWRC), Intercollegiate Rowing Association (IRA), ECAC Hockey League (ECACHL), and Eastern College Athletic Conference Sports Information Directors Association (ECAC-SIDA).

Officiating

The ECAC assigns over 4,400 officials in 11 sports across Divisions I, II, and III, including men's and women's basketball, fencing, football, men's gymnastics, men's and women's ice hockey, men's and women's soccer, softball, and wrestling. The bureaus assign for both conference and NCAA championships and totaled over 46,000 assignments last year.

Awards

The ECAC publicizes the achievements of over 2,000 student-athletes annually through the Player of the Week program and postseason all-stars. There are 20 sports for which the ECAC selects Players of the Week throughout the regular season, and 12 sports where all-star teams are honored. During the fall convention each year, the recognition awards program honors institutions, administrators, student-athletes, and officials for yearly and career achievements.

About the ECAC

The Eastern College Athletic Conference (ECAC) is the nation's largest athletic conference and only multi-divisional conference, with approximately 300 Division I, II and III colleges and universities from Maine to North Carolina and westerly to Illinois. Established in 1938 with 58 charter members, the ECAC has since emerged as the nationwide leader in service. The Asa S. Bushnell Center, named after inaugural commissioner Asa S. Bushnell, serves as the main office for the ECAC. It is located in Centerville, Massachusetts on Cape Cod.

After Asa S. Bushnell molded the organization from its formation to his retirement in 1970, George Schiebler took over as commissioner from 1970–1972. Robert M. "Scotty" Whitelaw (1972–1989) guided the ECAC through one of the most significant events in its history, as the Eastern Association of Intercollegiate Athletics for Women (EAIWA) was consolidated into the ECAC in 1983. With the addition of women's sports, the ECAC doubled its number of championships and greatly increased its membership. Clayton Chapman (1989–1998), Phil Buttafuoco (1998–2006), and Steve Bamford (2006–2007) have also carried the title of commissioner through the last 21 years. Current commissioner Rudy Keeling assumed chief administrator duties on May 1, 2007. As Commissioner, Keeling has revealed a new strategic plan for the ECAC emphasizing membership services, conference office operations, academic and athletic excellence and equity as well as diversity and inclusion.

It's My ECAC. It's Your ECAC. It's Our ECAC!

Asa S. Bushnell Internship Program

The prestigious Asa S. Bushnell internship program, named after the first commissioner of the ECAC and established in 1976, offers college graduates from ECAC member institutions hands-on experience in all the areas of the only multi-divisional conference in the country. Former interns proudly represent the ECAC in all fields of the sports industry as directors of athletics, commissioners, broadcasting executives, professional franchise front-office executives, sports information directors and coaches.
