A HISTORY OF INDOOR TRACK & FIELD

By Wally Donovan

The first indoor track meet was staged in New York City in a skating rink in 1868—just after the Civil War. The great events which have transpired since then are all recorded in Wally Donovan's History of Indoor Track. "A welcome addition to the literature of track and field... the glorious history of indoor track."

Bob Giegengack

Chairman, Men's Track U.S. Olympic Committee
Track Coach, Yale University (ret.)

Donovan is the historical editor for Track & Field News and has been chronicling indoor track for 40 years. He covers them all, from Joie Ray to Jim Ryun—from Bernie Wefers to Houston McTear. Only \$9.95 Postage Paid (Including Sales Tax)
