WHAT HAPPENED IN 1971

Bob Wheeler, of Duke, later to compete with the United States Olympic track team in the 1,500-meters, was the surprise winner of the 1971 IC4A University Division run as he finished 15 yards in front of Dave Wright of Villanova in 24 minutes 27 seconds flat. One of the country's top half-milers, he was a sophomore a year ago and will defend his title in the 64th annual run today.

Marty Liquori of Villanova, ending a great competitive career both in track and cross country for the Wildcats, finished third in 24 minutes 30 seconds and he and Wright led Villanova to its sixth team title in a row. The Philadelphia Main Liners scored 45 points, placing men in fifth, eighth and 27th as well as second and third. Pennsylvania was second, with 54 points while Duke finished third with 81.

More than 800 runners, representing 70 of the Association's then 86 colleges (there are now 96) took part in the four races, varsity and junior varsity in each of the University and College Divisions. Daniel Moynihan, of Tufts, then a junior, defeated a teammate, junior Hamilton Amer in the College Division test, winning by almost half a minute. Moynihan was clocked in 25:03.7 and Amer in 25:33 flat.

The College Division team title was taken for the third year in a row by Lehigh, which nosed out American U., with West Chester third. Lehigh totaled 91 points, American U. 100 and West Chester 109.

Last year's triumph for Wheeler was his second Association victory for he had captured the 1970 freshman event (the last for a while). His varsity time, while not near the record, was respectable considering the conditions. A steady rain made running uncomfortable and hazardous and Wheeler pulled away from his rivals in the last 400 yards after covering the first mile of the five-mile run in 4:23.5. In the Olympics he reached the semi-finals of the 1,500 meters.

For the first time last year, a junior varsity race at three miles in the University and College Divisions was held, with no championships involved. Ken Schappert, Villanova '74, won the University run in 15:08.1 and R. Karl Dieter, Lehigh '73, won the College race in 16:06.8.

I.C.A.A.A. CROSS COUNTRY CHAMPIONSHIP CUP

Cornell University won the inaugural I.C.A.A.A. championship trophy in 1913 with five victories in six years. It took twenty-three meets before Michigan State captured the second trophy in 1937. Michigan State retired the third championship cup in 1957 with a record of five triumphs in 1948, 1952, 1953, 1956 and 1957. The fourth cup went to Villanova, winner in 1962, 1966, 1967, 1968 and 1969. The fifth cup went into competition in 1970, with Villanova starting its quest for that one, too.

I. C. A. A. A. SCORING RULES

NO MORE THAN SEVEN CONTESTANTS FROM EACH COLLEGE MAY ACTUALLY PARTICIPATE. ONLY THE FIRST FIVE REPRESENTATIVES OF ANY COLLEGE FINISHING WILL COUNT IN THE SCORING BUT THE SIXTH AND SEVENTH FINISHERS WILL COUNT AGAINST OTHER TEAMS. FIVE ENTRANTS MUST FINISH TO GIVE A COLLEGE A TEAM SCORE.

To be eligible for the junior varsity race, a member college and/or university must enter its seven best cross country competitors (and these athletes must compete) in the varsity five-mile run. If these conditions are met, up to seven additional athletes may compete in the J.V. race. This non-championship event will be scored this year.
