Eastern College Athletic Conference

The Nation's Largest Athletic Conference

Over 50 Years of Tradition, Pride, Diversity & Service

ECAC History

Founded in 1938, the Eastern College Athletic Conference is the nation's largest collegiate athletic conference with over 280 member colleges and universities ranging from Maine to North Carolina in Divisions I, II and III. ECAC member institutions sponsor over 2,500 varsity teams involving 125,000 male and female student-athletes.

The ECAC manages over 100 championships in 19 men's and women's sports for its membership and is responsible for over 20,000 officiating assignments, a public relations/news bureau and a legislative services department.

The ECAC headquarters, the Asa S. Bushnell Center, is located in Centerville, MA, on Cape Cod. The business of this non-profit organization is conducted at its annual ECAC Fall and Spring Conventions.

A Conference of conferences, the ECAC includes within its organizational structure dozens of leagues and affiliate organizations. Colleges and universities from the America East, Atlantic 10, Big East, Colonial Athletic Association, Ivy League, MAAC, Northeast Conference and Patriot League, along with schools from the Massachusetts, New Jersey, New York and Pennsylvania State conferences, all holding dual membership in the ECAC.

Over the years, the ECAC has exerted leadership not only at the regional level, but also on the national level with the NCAA. With over 25 percent of the NCAA made up of ECAC members, the Conference plays a leading role in national athletics policy.

Several ECAC administrators have served as both NCAA and ECAC Presidents, including Bill Flynn of Boston College, John Toner of Connecticut and Eppy Barnes of Colgate. Dick Schultz, former NCAA Executive Director, was a member of the ECAC Executive Council when he was AD at Cornell.

The ECAC was founded as the Central Office for Eastern Intercollegiate Athletics with a charter membership of 53 colleges. Commissioner Asa Bushnell molded and guided the organization from its inception until his retirement in 1970, when his long-time associate George Shiebler was appointed successor. Robert M. "Scotty" Whitelaw, who had joined the ECAC in 1960, was named commissioner in 1972 and served in that office for 17 years. In 1989 he was succeeded by current commissioner Clayton Chapman, who began his tenure with the conference in 1971.

One of the most significant events in ECAC history occurred in 1983 with the consolidation of the Eastern Association of Intercollegiate Athletics for Women into the ECAC structure. With the addition of women's sports, the ECAC doubled the number of its championships.

ECAC Commissioner

ECAC Membership Benefits

Championships - The ECAC manages over 100 championships in 19 men's and women's sports in all three divisions as well as eight affiliate championships, including the IC4A Track, EARC Rowing and the ECAC Intercollegiate Football Conference. The ECAC Division I men's ice hockey league champion and tournament winner receive automatic bids to the NCAA Tournament. The ECAC championships provide its members with a post-season opportunity outside conference play and as an alternative to the NCAA Championships.

Officiating - The ECAC assigns over 4,000 officials in Divisions I, II and III in 15 sports, including baseball, men's and women's basketball, fencing, football, gymnastics, men's and women's ice hockey, men's and women's soccer, wrestling, crew, cross country, swimming and track & field. The ECAC Supervisors of Officials provide clinics and workshops to improve the level of officiating and to attract the most qualified officials at the collegiate level. The officiating bureaus assign officials for both conference and NCAA regional championships.

Public Relations/Recognition Awards - The ECAC publicizes its member colleges and student-athletes through weekly and postseason all-star awards in football, men's and women's basketball, men's and women's ice hockey, baseball and softball. The ECAC publishes a quarterly newsletter, a Directory & Record Book and football and ice hockey guides.

Conventions and Meetings - The business of the ECAC is conducted at the ECAC Fall and Spring Conventions, which provides opportunities for the membership to discuss and vote on common issues and concerns. The ECAC Fall Convention on Cape Cod is attended by 300 administrators and includes committee and affiliate league meetings, seminars, awards luncheon and trade show.

Internship Program - The ECAC has established the prestigious Asa S. Bushnell internship program, which provides interns with a perspective on collegiate athletics, through the daily operations of collegiate athletics, primarily through public relations and administration of its championships. Candidates must hold an undergraduate or graduate degree from an ECAC institution.

Legislative Services - The Conference maintains a legislative and compliance department to assist its membership with the application of NCAA and ECAC regulations. The Conference sponsors workshops and seminars, processes hardship waivers and administers the NCAA National Letter of Intent.

Sponsorships - The ECAC seeks the support of corporations desirous of increasing their penetration of the college market. Support can take various forms: enabling or enhancement of ECAC activities and events; products for ECAC championships and discounted rates for ECAC-member schools. Current sponsors include Budget Rent a Car; Chase Bank; Chevy Dealers of New England; Holiday Inn; Reebok; Ricoh/Offtech; Spalding and USAir.

Special Events - The conference manages events such as the Chase ECAC Holiday Festival at Madison Square Garden, Eastern College Football Awards Banquet at the Meadowlands and the ECAC Women's Holiday Festival.

Television - The conference manages an "ECAC TV Game of the Week," for football, men's and women's basketball and men's ice hockey to be carried on New England Sports Network and Empire Sports Network. SportsChannel, MSG Network, WNDS-TV and Comcast also carry ECAC events.

IC4A EVENT SPONSORSHIP PROGRAM

In 1995, the IC4A Executive Committee approved the establishment of this program, whereby member schools can "sponsor" any of the events at the Indoor and Outdoor Championships.

The purpose of this program is primarily two-fold in nature, to honor former coaches and champions, and to generate income for the IC4A Reserve Fund.

This sponsorship is open to any member school, its track and field "alumni" association ("spike shoe club"), affiliated official's associations or any "old grad" benefactor, who may select an event at either the Indoor or Outdoor Championship, and for a fee, name that event after a present or former coach, IC4A Champion or IC4A Official.

Any event can be sponsored for a single meet, or for five consecutive meets.

The honoree for this 1997 Outdoor Championship is:

THE TOM COURTNEY 800 METER RUN

to commemorate the achievements of

Tom Courtney, Fordham University '55

1954 IC4A 1,000 yard Champion - 2:10.9

THE MARK OF A CHAMPION

by Renee Constantinides, Asst. Sports Information Director
Georgetown University

Miesha Marzell, a middle distance runner on Georgetown University's Women's Track & Field Team, will graduate in May with a degree in psychology. As she wraps up a four-year career on the Hilltop, she leaves behind an impressive legacy for the next runners to wear the Blue & Gray. Her list of accomplishments as a Hoya are staggering. An NCAA Champion and nine-time All-American entering the 1997 ECAC Outdoor Championships, Marzell will likely end her track career with the most All-American honors in Georgetown's illustrious women's track & field history.

Associate Head Coach Ron Helmer first heard about Marzell in the spring of 1993. At that point, she was competing for Bishop O'Dowd School in Oakland, and racking up honors, both on the track and in the classroom. She was California's 1992 and 1993 State Champion in the 800 meters. Marzell was not only an Honor Roll student, but also graduated cum laude from Bishop O'Dowd. Her drive to excel athletically and academically made her a perfect recruit for Georgetown University.

Marzell joined the Georgetown track & field team whose roster included some of the top women's runners in the country. Initially it might seem a daunting task to assimilate into such a top-flight program, but Marzell embraced the challenge. As a freshman, she showed great versatility, running well in events from the 400 to 3,000 meters, with personal best times of 2:06.55 for the 800, 3:22.9 for a 1,200 meter relay carry indoors, and 4:23.70 for the 1,500 meters. Marzell earned All-American honors both in indoors on the Hoyas' distance medley relay (DMR) team and outdoors at 800 meters. In addition, she went on to win the U.S. Junior Championship in the 1,500 meters and represented the U.S. team at the World Junior Championships in Lisbon, Portugal.

As a sophomore, Marzell began the indoor season by winning the 3,000 meter run and was a component of the victorious DMR squad at the 1995 USAir Track & Field Meet held at East Tennessee State. She followed up that performance with a first-place showing in the 800 meters (2:11.19) and the mile (4:52.69) at George Mason's Patriot Games and GMU Winter Invitational, respectively. With Marzell running the third leg, GU won the DMR (11:34.05) at the Mobil 1 Invitational. She then helped the 4 X 800 meter relay team win the BIG EAST Indoor Championships with a time of 9:05.91.

Marzell got off to a terrific start at the 1994-95 outdoor season by winning the 1,500 meters (4:25.63) at the Stanford Track & Field Festival, and the 3,000 meters (9:30.17) at UNC's Fetzer-Ranson-Hilton Invitational. She won the 800 meter run at the Duke Invitational with an NCAA provisional qualifying time of 2:05.56. Marzell's NCAA provisional qualifying time (4:24.76) in the 1,500 at the BIG EAST Outdoor Championships was good enough for second place. She then ran 4:23.50 at the 1995 NCAA Outdoor Championships to earn 10th place and earn All-America status. Marzell capped off the year by competing in the 800 at the US Track & Field Championships.

Marzell tried her hand at cross country in the 1995-96 season and immediately achieved success. She helped the Hoyas to an eighth-place showing at the NCAAs and picked up her first cross country All-America certificate by finishing 20th overall. Her

success carried into the indoor season. She was instrumental in Georgetown taking home both the BIG EAST and ECAC team titles and in the Hoyas finishing seventh at the NCAAs, the highest finish ever for a GU women's squad. Marzell was a double winner at the BIG EAST winning the mile (4:44.40) and 1,000 meters (2:46.07). She also anchored the winning 4 X 800 meter relay team at the ECAC Championships and wrapped up the indoor season by placing 10th in the 3,000 at the national meet to earn All-America honors.

The 1996 outdoor season was one of the finest ever recorded in the history of women's track & field program on the Hilltop, and Miesha Marzell was a very large factor in making that happen. Georgetown won its second BIG EAST Conference Outdoor title and placed second at the ECACs; two GU relay teams garnered Championship of America plaques at the 102nd Penn Relays; the Hoyas finished in sixth place at the NCAAs and Marzell returned as a national champion in the 1,500. She started the momentum rolling at the BIG EAST by winning the 1,500 with a new meet record (4:18.59), then finished first in the 800 at the ECACs with a time of 2:04.68. At the Penn Relays, she teamed up with Amy Ross, Julian Reynolds, and Joline Staeheli to win the DMR Championship of America crown with a time of

11:07.69. Ross, Reynolds and Maxine Clarke then joined Marzell to win a second Championship of America plaque in the 4 X 800 with a mark of 8:28.57. At the NCAAs, she won the 1,500 meters by clocking a time of 4:17.92, becoming only the third woman in GU history to garner the title of NCAA Champion. Marzell closed out the season by competing in the 1996 Olympic Trials in Atlanta, Ga.

Expectations were high for Marzell's senior year, and she has not disappointed. After posting several top-five finishes all season, she garnered her second All-America cross country certificate at the 1996 NCAA Championships in Tuscon, Ariz. Marzell had a tremendous indoor season as well. She qualified automatically for the NCAAs in the mile at George Mason's Patriot Games with a mark of 4:41.23 and then followed up that performance by automatically qualifying in the 3,000 with a time of 9:16.09 at Boston University's Terrier Classic. She anchored GU's winning DMR team at Butler University's IV Classic and at the BIG EAST Indoor Championships, Marzell won both the 1,000 meters and the mile. For her efforts, she was named the Indoor Track Performer of the BIG EAST Track & Field Championships. Marzell closed out the season by clocking a personal-best time of 4:34.93 in the mile to earn runner-up honors at the NCAA Indoor Championships. She also anchored the winning DMR relay team to a new meet record of 11:08.54.

Now the outdoor season is drawing to a close, and with it Marzell's career at Georgetown. She has qualified automatically for the NCAAs in two events, the 1,500 and 800 and provisionally in the 3,000. Marzell looks forward to defending her 1,500 title at the NCAAs. Her contributions will be greatly missed by Georgetown, as well as by all track fans who have come to appreciate and admire the competitive spirit and achievements that the young West Coast girl brought to the East four years ago. She is a champion in every sense of the word.

by Alex Rosen and Bill Kamenjar, George Mason Sports Information

In the sport of track and field, championship-caliber events like the IC4As inspire an entirely different sense of challenge to runners than the normal collegiate invitational or open events do.

For most of the collegiate season, distance runners are trained to evenly distribute their energy so that they run as fast as possible over the distance they are racing. Their goal is simple -- to cover the ground as fast as they can, with success often being measured by whether or not they run a time swift enough to qualify them for such championships as the IC4A's or the NCAAs.

Once they get to these meets though, a completely different set of rules apply. The race does not necessarily go to the swiftest of foot, but the strongest of mind.

Having now competed at the NCAA and IC4A Championships -- not to mention last year's Olympic Games in Atlanta, Georgia -- George Mason junior Julius Achon is quite aware of the surprises that an athlete must be prepared for once the championship season begins. One's only hope is that he or she has left no rock unturned in preparation for any unsettling turn of events.

"I've learned that in races like these, you've got to work for everything," said Achon, the Ugandan Olympian and two-time NCAA indoor mile champion. "In Championships, sometimes it becomes a slow race, and you need to sprint. But sometimes, it's a fast race and you need strength to keep the pace. Sometimes fast, sometimes slow. That's why you have to combine both (speed and endurance training)."

Achon has learned these lessons the hard way, but he also reserves the right to take destiny into his own hands. He has been known to make the pace the way he wants it to move. At last year's outdoor NCAA Championships, Achon was favored to win both the 800 and the 1500,

but a case of dehydration on the flight from Washington D.C. to Oregon, relegated him to bronze-medal placing in both events. Then at the Olympics, Achon was considered a good candidate to make the finals in the 1500, but a pulled hamstring and a bad heat selection that

included two world champions (George Mason alum Abdi Bile and world record holder Noureddine Morceli) put an end to those hopes. But like the mythical Phoenix, Achon rose from the ashes of his once promising summer to return with vengeance. At the 1997 indoor NCAA championships, he became the first collegian in history to run three sub-four minute equivalent miles in two days, winning the mile and anchoring Mason's distance

medley relay team to victory.

Perhaps his competitors should fear his failures more than his successes this weekend when he lines up in the 800 at the IC4A Championship on his home track in Fairfax. Despite setting the collegiate record last year at this track in the 800 (1:44.55), and the phenomenal performance he turned in at the Indoor NCAAs, some people still question his ability. At the Penn Relays last month in Philadelphia, Achon was not able to catch Georgetown anchor Bryan Woodward in the 4 x 800. Even more devastating, in the distance medley relay, Achon was inexplicably run down from behind by Arkansas sophomore Seneca Lassiter. So clearly when Achon lines up for this Saturday's 800, he will be out to prove that he is in fact the real thing, and not just a pretender to the throne.

"The fun is competition," added the defending IC4A Champion in the 800. "You can train hard but if you don't compete hard, that doesn't make any sense. I like to train, but I love to compete."

So to all his competitors out there, the only thing that can be said is "watch out!"
