Competition

The ECAC administers 105 championships for 37 men's and women's sports. The ECAC also serves as the primary league for Division III men's hockey (3), Division III women's hockey (2), and Division I men's lacrosse. In addition, the ECAC provides leadership assistance for numerous affiliate organizations including the Intercollegiate Association of Amateur Athletes in America (IC4A), Intercollegiate Fencing Association (IFA), Eastern Intercollegiate Gymnastics League (EIGL), Eastern Intercollegiate Wrestling Association (EIWA), Eastern Association of Rowing Colleges (EARC), Eastern Association of Women's Rowing Colleges (EAWRC), Intercollegiate Rowing Association (IRA), and Eastern College Athletic Conference Sports Information Directors Association (ECAC-SIDA).

Officiating

The ECAC assigns over 4,400 officials in 12 sports across Divisions I, II, and III, including men's and women's basketball, fencing, field hockey, football, gymnastics, ice hockey, men's and women's soccer, softball, and wrestling. The bureaus assign for both conference and NCAA championships and totaled over 46,000 assignments last year.

Awards

The ECAC publicizes the achievements of over 2,500 student-athletes annually through the Player of the Week program and postseason all-stars. There are 23 sports for which the ECAC selects Players of the Week throughout the regular season, and 10 sports where all-star teams are honored. During the fall convention each year, the recognition awards program honors institutions, administrators, student-athletes, and officials for yearly and career achievements.

The Eastern College Athletic Conference (ECAC) is the nation's largest athletic conference and only multi-divisional conference, with 321 member institutions and over 122,000 student-athletes ranging across 16 states from Maine to North Carolina and westerly to Illinois. Established in 1938 with 58 charter members, the ECAC has since emerged as the nationwide leader in service. The Asa S. Bushnell Center, named after inaugural commissioner Asa S. Bushnell, serves as the main office for the ECAC. It is located in Centerville, Massachusetts on Cape Cod.

16
States

After Asa S. Bushnell molded the organization from its formation to his retirement in 1970, George Schiebler took over as commissioner from 1970-1972. Robert M. "Scotty" Whitelaw (1972-1989) guided the ECAC through one of the most significant events in its history, as the Eastern Association of Intercollegiate Athletics for Women (EAIW) was consolidated into the ECAC in 1983. With the addition of women's sports, the ECAC doubled its number of championships and greatly increased its membership. Clayton Chapman (1989-1998), Phil Buttafuoco (1998-2006), and Steve Bamford (2006-2007) have also carried the title of commissioner through the last 19 years. Current commissioner Rudy Keeling assumed chief administrator duties on May 1, 2007.

321
Member Institutions

122,000
Student-Athletes

The ECAC maintains two primary websites – one dealing with administrative issues, while the other serves as a fan-friendly site for news and results from all athletic events. Through the ECAC.tv web casting, the conference has the ability to showcase the excitement of college athletics within the 16-state footprint to a national and international audience. The ECAC also coordinates with institutions, television vendors and broadcast partners to televise quality sports programming on regional networks including Comcast (CN8 Sports), College Sports Television (CSTV), Entertainment and Sports Programming Network - University (ESPN), and the New England Sports Network (NESN).

The prestigious Asa S. Bushnell internship program, named after the first commissioner of the ECAC and established in 1976, offers college graduates from ECAC member institutions hands-on experience in all the areas of the only multi-divisional conference in the country. Former interns proudly represent the ECAC in all fields of the sports industry as directors of athletics, commissioners, broadcasting executives, professional franchise front-office executives, sports information directors and coaches.
