Re: Kat Tate  
Letter of Recommendation

Dear Potential Employer,

I had the opportunity to work with Kat Tate at WHJT STAR 93.5 FM, from August 2015 through May 2017. During that time, Kat was a valuable member of the STAR 93.5 team as our Production Assistant.

One thing I will say about Kat is that whatever the task or activity assigned, she enthusiastically accepted the responsibility and completed the task. She loves a challenge and was truly a privilege to supervise.

Kat was a strong team member, efficiently performing her daily duties, and additional tasks as needed to fill voids left with co-worker absences. Kat was punctual, dependable, efficient, accurate, and a pleasure to work with. She understands that cooperation begins with a smile, and in my opinion would be a valued team member for your organization.

Thank you for your consideration of Ms. Tate and if I can provide any additional information, please do not hesitate to contact me.

Sincerely,

Doug Amacker
