DO YOU FEEL CONFIDENT AND COURAGEOUS?**

**WHEN IT COMES TO SHARING YOUR FAITH,  
DO YOU FEEL CONFIDENT AND COURAGEOUS?**

According to the late Bill Bright, founder of Campus Crusade for Christ, **only 2% of Christians actively share their faith.** That means (for some reason) 98% don't. That may be because they feel they haven't been equipped to do so. That's why Kirk Cameron (Growing Pains / Left Behind: The Movie) and author Ray Comfort have teamed up to create this powerful and eye-opening dvd training and discussion classes. You will come away from this training knowing how to share your faith with your co-workers, mother, father, siblings, spouse, children, and even perfect strangers. You'll learn you don't have to feel intimidated by atheists, intellectuals, Moslems, Jews, or even the self-righteous. You will gain wonderful Biblical insights and newfound courage. You will learn about the neglected subject of true and false conversion, and why there is a massive fall-away rate within our churches. When it comes to personal evangelism the question isn't "What would Jesus do?" but rather "What DID Jesus do?" In this training you will be taught how to share your faith effectively, Biblically – the way Jesus did. That's why we call it, "The Way of the Master." You will even have the opportunity to go into the streets of Branson or Springfield to witness to strangers or watch others do so.
