 up to 11 lbs

Find the most comfortable typing angle with negative, positive, and neutral keyboard tray tilt. The under-desk tray placement creates an ergonomic setup that decreases fatigue and muscle strain on the neck, back and shoulders. And the clamp-on design makes installation easy, eliminating possible damage to your desk. Smooth gliding mechanisms make storing and concealing your keyboard a breeze.

Angled Lip keeps items on tray

\*Fits desk thickness of 0.5" up to a maximum of 1.5"

DESKTOP THICKNESS	HEIGHT CLEARANCE
0.5"	3.8"
