MOVING FORWARD

Official newsletter From UAW-LETC at Earle C. Clements Job Corp Academy

www.advancedautomotive.tech

Autumn Greetings

With the heat of summer fading away and the nights getting longer and longer, we encourage you to snuggle up to our newsletter and get comfy with us in our Fall Edition. We are excited to share with you the happenings in our program and on our center. As our year winds down towards our winter break, we want to wish you warmth, family, and happiness going into the holiday season. Enjoy and thanks for reading!!

ALL ABOUT PRE-MIL

UAW-LETC AND THE PRE-MILITARY ACADEMY ON CENTER HAVE A WONDERFUL RELATIONSHIP AND OFTEN WORK TOGETHER TO HELP STUDENTS FIND SUCCESS. WE THOUGHT THIS WOULD BE A GREAT OPPORTUNITY TO SAY THANK YOU AND RECOGNIZE ALL THAT YOU DO FOR THE OUR STUDENTS!! THANKS 1SG SEYMORE.

IN THIS PHOTO 1SG AL SEYMORE CHALLENGED THE CENTER TO A 12.6 MILE ROAD MARCH. A GREAT ACTIVITY AND AWESOME PARTICIPATION FROM THE STUDENTS. WAY TO GO GUYS, YOU REALLY ARE INSPIRING.

IN THIS PHOTO WE CAN SEE THE PRE-MILITARY COLOR GUARD STANDING TALL AT THE CORN FESTIVAL PARADE, LOOKING SHARP GUYS.

WE SALUTE YOU!!!

MLR PROGRAM UPDATES

Customer Testimonial

MLR gets a special visit from Safety Bob

Morganfield, Ky.

Recently our students got to meet a man of Earle C. Clements legend. Former Staff member Bob Gray came in for some service to be performed on his vehicle and had wonderful things to say about our students and staff while he was here. We are always happy to help the various employees (and former employees) on center, read what he had to say below!!

"After 12 years or so I have returned to my old work place of 24 years. It was good to see the old place and old friends at UAW. I have so many fond memories. The daily operations have changed, but it still feels like home!!"

Safety Bob Gray

T-TEN PROGRAM UPDATES

Job Corps T-Ten program featured at TSTM annual meeting at Toyota HQ Plano, Tx

Our Coordinator Jason Krueger was a guest speaker along with Bob Beck from the Clearfield UAW-LETC program this year at the annual Toyota TSTM (Technical Service Training Managers) conference in Plano. They went to discuss the opportunities for students entering the dealerships from Job Corps. It was a valuable experience and we truly hope it will open the doors for many students entering the workplace.

T-Ten program receives special guest visitor

Morganfield, Ky

Lloyd Koppes (pictured 2nd from left) stopped by our program on his way through to Elizabethtown Ky to set up a new TECS Elite program. We are always blessed to receive him and get his valuable words and inspiration to our students. Thank you Lloyd.

T-Ten At the Corn Festival!!

Morganfield – Our T-Ten students passed out t-shirts, water bottles, and gave candy to the children in the community. It was a great event for all, and great outreach to recruit.

HEAVY DUTY TRUCK PROGRAM UPDATES

VOMAC Truck in Evansville recently held a customer open house and meet and greet. There were several vendors there and representatives from corporate showing what they have to offer. Our Heavy Truck program is building a great relationship with them and we were so happy to take our students to their event.

MERCEDES-BENZ PROGRAM UPDATES

Mercedes-Benz

Mercedes-Benz MB Drive Representative Visits Center Morganfield, Ky.

David Mariano From Mercedes-Benz recently visited our center and gave us some information on our upcoming roll-out of the Mercedes-Benz MB Drive program. While here David provided technical assistance and gave us a snapshot of the upcoming instructor training that our Mercedes-Benz team will be participating in. Coming soon to the Mercedes-Benz program will be our level 2 EV charging station, as well as the Mercedes-Benz specific alignment rack.

While here Dave also assisted in helping to ship the remaining inventory for classes to begin at our sister school in Clearfield, Utah for their roll-out as well. We are so thankful for the investments in this program and look forward to delivering the best Mercedes-Benz experience we can give to our students and the dealers that hire them. Instructor training will begin soon so stay tuned for more information as we roll out this newest offering for our students.

Mercedes students take the EPA 609 test.

Morganfield, Ky.

One of the biggest benefits we can give our students is the credentials to succeed in the automotive repair industry. Of those credentials one of the most important we give is the EPA 609 license. This license is permanent and the students can take it anywhere their career goes.

Congratulations to:

Desmond Cook – 609 Antoine Johnson – 609 Harry Tucker – 609 Christopher Minchuk – 609

Official Newsletter From UAW-LETC at Earle C. Clements

T-Ten makes a trip to our sister program to recruit advanced training students

Edison, New Jersey

Our program recently sent T-Ten instructors to Edison NJ to our sister programs location to recruit students for advanced training. Jason Krueger and Jody Hartley also treated the students to pizza and drinks courtesy of our director and deputy director Mr. Dan Hall and Mrs. Tammy Sampson. The students had a great day and even spoke to our students via Zoom to discuss center life here! We hope to see them again soon. Special thanks to the Center Director Ashton Stripling for the warm welcome.
