

Mercedes-Benz MB Drive JC Starts in May!!!

The development of the Mercedes Drive JC program continues on and we are soon to launch. Our Instructors have completed their Mercedes-Benz Training with Chris Alonso from MB Drive. We are in the process of making our workspaces and shops represent the MB Drive JC program to the highest of standards. Please look at our pictures below and start talking to students that may want into this HIGH-DEMAND, HIGH-REWARD program now as our slots will fill up fast. Please Inquire for student applications and acceptance requirements into this program.

Check out our pictures below!!

MB Drive

Success at top speed.
