## PLEASE CAST YOUR VOTE

1. I am voting to opt-out of taking out the trash and recycling bins, maintaining the trash area, and hosing out the bins. I agree to pay \$15.00 per month or a payment of \$180.00 per year in addition to my regular monthly HOA dues in order to allow me to opt out of this duty.

2. I am voting to take responsibility for my month of taking out the trash and recycling bins, maintaining the trash area, and hosing out the bins. Please allow me or my volunteer to choose a designated month so I can complete this.
