

Cedar Lake Conservation Club

Maple Lake — Annandale, MN

June 2025

Cedar Lake Memorial Platform Keepers of the Light

The Lighthouse commemorating those who have loved Cedar Lake and have passed was launched in May and is located near the east shore of the lake and north of the sandbar. Thanks to Glenn Baird for leading this initiative with the help of Bruce Emerson, Wayne Hoistad & John Mathees.

Message from the CLCC Communication Committee:

This flyer highlights the summer events and news updates. See the April Newsletter and Website for more details.

CLCC WATER QUALITY COMMITTEE

by Dave Glass

We're happy to share great news for Cedar Lake this spring:

No Curlyleaf Pondweed Treatment Needed

Freshwater Sciences recently surveyed the lake and found very minimal presence of curlyleaf pondweed. As a result, no treatment will be needed.

New Tool Station at Wurm's Landing

CLCC is partnering with the Wright County Soil & Water Conservation District to install a boat cleaning tool station at Wurm's Landing, located on the SE side of Cedar. This station will feature a brush, grabber and plug wrench.

These tools will be available to help protect Cedar Lake from aquatic invasive species.

Natural Shores

Dave Glass has a limited number of "MLR's Shoreland Guide to Lake Stewardship" a minimum donation to the CLCC Water Quality Fund is suggested for this booklet. If interested text or call 651-343-9674.

DNR Proposed Fish Limit Change

Dec '25	Propose changes for sunfish and crappie regulations.
May - Oct 26	Post signs at public access that regulations may change. Online public input accepted.
Dec '26	Final decision made.
Mar 1, '27	New regulations go into effect.

The CLCC Fish and Wildlife committee supports the DNR's recommendations and plans to survey the CLCC membership later this summer on whether they would like to be part of this regulation proposal.
