

Assistance to the Resistance

Like many of you we are upset, freaked-out, pissed-off, and **very determined** as we confront the powers which endanger our nation. The foundations of our republic are threatened: freedom of speech, freedom of the press, separation of powers, rule of law, equal protection under the law, the independence of the judiciary, and so much more.

Now is the time for action.

Call and write your elected representatives. Post on social media, talk to friends and neighbors, sign petitions, donate to advocacy groups... **and organize!**

Please get directly involved in your local resistance organization.

It is time to STAND UP, SPEAK OUT, and FIGHT BACK, however you can.

Copy That encourages in-person protests!

It is time to exercise your freedoms of speech and assembly. The future of democracy may depend on you protesting.

To help you take direct action Copy That offers a slate of protest materials at rock-bottom pricing. We are doing this to help save the country, not to make a fast buck.

Buy a sign from us or make one yourself. Either way we hope you'll keep protesting. Keep it up for as long as it takes to end the threats to our communities and our democracy.
