PROJECTS (MORE UPON REQUEST)

Product Team Leader - Your Campus Map
📅 08/2014 - 05/2015   📍 Reno, NV, USA

- GPS application that I created for Android platform with two other team members.
- The initial goal of Your Campus Map application is to provide an interactive interface in which any students and/or visitors who are unfamiliar with the layout of the university can have a portable guide that will direct them to their destination as efficiently as possible
- We used Android Studio to create the application using Java and XML
