

Mathocity

where passion meets education

MARCH 30-31

ACT MATH PREP

Get pumped, prepped & prepared!!

Why attend a wordy seminar of best practices & clock watching techniques, when you can spend 4 hours actually learning how to **TACKLE** math problems on the ACT?!

Split into two, 2-hour sessions, Mathocity provides fun, inspiring **MATH ACTION** from an experienced, dynamic math professor!

In a small group, we will knock out LOTS of math problems in a bootcamp-like setting! Students will fine-tune their math skills and will learn the best approaches to the most common math problems on the ACT !!

Additional dates:

May 18/19 & June 29/30

All sessions take place at the Stillwater Public Library.
