**Yarnell Water Improvement Association  
Public Meeting**

July 6, 2024

10 AM

Yarnell Community Center

The board will be presenting two discussion items:

1. The YWIA Rate Case with the Arizona Corporate Commission (ACC) The board will provide an update on the final steps in the YWIA Rate case application and process. This will include specific information on the changes in water charges that are anticipated to take effect later this year.
2. The American Rescue Plan Act (ARPA) The board will provide an update on the anticipated works that will be completed with grant funds from ARPA. This will include timelines for work that will occur on the system and the considerable on-going challenges of implementing these projects.

All Yarnell residents are encouraged to attend.  
A regular board meeting will follow the presentation.
