Remember in prayer: Bob Willsher, Dave Lief, Charlie Brown who is suffering with the lingering affects of shingles, and we ask for your prayers of healing and comfort for all those suffering. Condolences to Karen Dykstra and family upon the passing of John earlier this week. Prayers for all others who have lost loved ones, friends and neighbors. Pray to almighty Father to give us faith and trust that our world will get past all the upheaval and let us find peace and hope.
