

The young Mariposa, CA hard rock trio, JNX, is as if Metallica had a child with Guns n Roses and Green Day was its babysitter. With their anarchist energy and shredding guitar solos, JNX aims to bring a new fire to the rock and metal world.

In the summer of 2022, JNX placed top 10 out of 112 bands in a songwriting competition put on by Dirtbag Clothing with their debut single "Red Parade".

JNX's new EP "LIES" is filled with the teenage angst of learning to fend for yourself in the chaos of the modern world
