sonnen

energy is yours

Solar + Storage is the key to your energy independence

sonnenBatterie - **the global leader in smart energy products** - perfectly integrates with solar systems to help homeowners:

- Keep the lights on during power outages
- Store your excess solar for use day and night
- Manage energy usage throughout the day
- Save money on your electricity bills

For everyone everywhere.

sonnenBatterie is sold exclusively through our network of trusted partners in the United States and around the world. With the sonnenBatterie you will join a global and rapidly growing community of people that share a common vision: Using clean, reliable and affordable energy to take control of their own energy future.
