

Kingswinford Community Centre NewsLetter

November 2023

Comment

As the golden leaves of autumn gently blanket the grounds of Kingswinford Community Centre, we are reminded of the beauty and the transformative essence of change. November brings with it a soft whisper of winter and the heart warming spirit of community as we gather to celebrate.

Your Centre Needs you!:

We're reaching out to our wonderful community members to volunteer some time over the next few months. Whether you have a green thumb or good with a brush, your help will be invaluable in ensuring our shared spaces shine. Join us in making our community centre even more vibrant and welcoming. We are looking for people to help tidy the grounds and also help renovate the inside of the centre. Every hand makes a difference please express your interest with the office.

Centre Updates:

We are committed to ensuring that Kingswinford Community Centre remains a well-organized and accommodating venue for all your activities and events. In light of this, we would like to remind everyone about an important aspect of our room booking policy. When reserving rooms at our community centre, please ensure that your booking timeframe includes both your setup and breakdown time. This will help us maintain a smooth transition between bookings and ensure that each group has the adequate time they need to prepare for, and conclude, their activities (setup & break down time must be included in the booking time). Please update your times with admin.

Feedback & Suggestions:

We're always looking to improve! If you have any feedback or suggestions, please drop them in our office door at the centre or email us at Info@kingswinfordcommunitycentre.co.uk.
