

A Season of Hope.

As we enter this season of Christmas - there is so much to look forward too - family, gifts, gathering with friends.

But for others, this season is a reminder of hopelessness and despair. Many of our neighbors are experiencing financial challenges, mental health issues and a lack of housing.

At EveryONE Matters Ministries, our desire is to give Hope back to people in our community and to build them up by giving them a place to live, financial education and emotional support.

This is a season of **HOPE!!!**

One sweet family of 4 is experiencing such a season. After two cross country moves- they found themselves without a steady income and began accruing debt to stay afloat.

They found themselves in a temporary living situation with family that was soon to expire- homelessness was on the horizon.

Since entering EveryONE Matters Ministries program- Lindsey feels hope for herself & her kid's future. She embraces learning new skills during meetings with her Case Manager including budgeting, savings, and paying off debt.

She is connected with her local church right here in our community and is bettering herself through MOPS, mentoring, and counseling.

Lindsey and her kids would not be able to have a home if it wasn't for YOU - our partners who give to this ministry. YOU are the reason that we can bring more families HOME for the holidays!

We look forward to even bigger and better things

made possible by you.

Help us bring more families HOME this holiday season! Your gift, will provide housing & case management services to families and individuals in need.

Your generosity allows families like Lindsey's to experience HOPE.

Our program's goal is for each family to experience personal, professional, financial, and spiritual growth-which will lead to a sustainable future.

This is made possible by the generosity of donors like you.

Thank you for your partnership,

Cassie Leon, Executive Director
