

Louisville Historical League

The Louisville Historical League is a non-profit, 501c3, civic organization dedicated to the promotion and appreciation of metro Louisville's cultural heritage and historic environment.

The League holds at least 9 meetings a year that feature historic presentations and held at historic locations. Members also get invited to other history-related events throughout the year. Our programs include an Ice Cream Social in June, a neighborhood walk in September, a Cemetery tour in October, and the keynote Fenwick Lecture in November.

Members receive regular email updates of upcoming events as well as a regular post card mailing that details the logistics for the next upcoming LHL program.

League dues are very affordable. In fact, we haven't changed our dues amounts in over 15 years! Clip the form below and return it with your payment to join the Louisville Historical League!
