**RE: NR199 PREP (3/8" 6.5 GRAM) (SM)**

To Whom It May Concern;

The above list compounds and its constituent components were reviewed for latex.

Based on information provided to HEXPOL Compounding by our vendors and our review, the above listed compound, does not contain latex.

Please note that the compound has not been analyzed as a whole for the listed chemicals. However, and information provided by our raw material suppliers and our knowledge of the compounds, we have no reason to expect any of these chemicals to be present at appreciable levels.

Thank you for your business and if you have any questions, please feel free to contact us.

Best Regards,

*Rodney Patrick*
