Welcome

Welcome to our Summer 2026 Club Soccer Program. Bay Bulls Regional Lifestyle Centre is proud to offer soccer programming for children in the region. Over the years, he has honed his coaching skills across various clubs and age groups, making a significant impact on player development.

Philip's philosophy has always centered on fostering a love for the game and prioritizing player development.

What should they wear: Kids in this program are provided with a Tim Hortons Jersey Kit, which includes a jersey, shorts and socks that should be worn to the session. We recommend with the Newfoundland weather to dress in layers and have a coat or sweater in case the weather takes a turn.

PLEASE NOTE: Timbit jersey kits will be given out prior to the first week of programming. We will announce a few time slots where parents can pick up the kits prior to June 22, however there will be an option to pick them up during the first week of practices at the field. Sizing is first come first serve – we cannot guarantee the sizing will be a perfect fit for your child as orders have to be sent in early in the year.

Equipment: Kids should have cleats or sneakers on to run around in.

What should you bring: We provide everything the child may need for a session; however, you should always bring a water bottle for them! If you want to bring a fold-out chair to sit on while the child is playing, that is acceptable as long as it is not on the playing grid.

Timbits Jamboree: Our Timbits Jamboree will be held on Saturday, August 15, 2026 - details to follow at a later date. Our jamboree is a fun end of summer celebration of all our timbit players. We will have bouncy castles, games, activities, and treats supplied by Tim Hortons.

Rain Days/Heat Warnings: If the weather conditions are too wet or too hot and are not safe to play on, a call will be made no later than 4:00pm and it will be posted on our Southern Shore United Facebook Page and our new soccer coordinator will also send out an email to all program participants. Please check our FB page & your email before your session if you are unsure about the weather. If there is no Facebook message or email - soccer is a go!

How to Register

All registrations will take place online on a registration system called *RAMP Registration*.

Refund Policy

The association incurs an administrative cost for each child during registration including but not limited to staffing, credit card & debit fees, equipment, facility rental and it is because of these costs that the BBRLC has adopted a refund policy going forward for all programs.

A full refund, minus a \$15 non-refundable deposit, will be granted if written notice is submitted to the Director of Recreation & Facilities no later than 9:00am 14 days before the first soccer session begins. After that, a refund or credit may only be issued for a medical reason which prohibits continued participation, in which case a medical note is required.

Refunds or credits will not be issued for individual absent days, even if a medical note is attached. Refunds will not be given for removal due to behavioural concerns or failure to comply with camp policies and procedures.

Refund or credit requests will not be issued after program end date has passed.

All payments are to be made at time of registration. We no longer accept EMT payments.

Coaches

Our Timbits Micro Division is operated under the direction of SSU's Technical Director, Philip Pilon. BBRLC hires summer students to help with the on-field instruction.

Volunteer Coaches for Under 7 Metro

Our U7 metro teams will be looking for volunteer coaches. All those interested must submit an application to the BBRLC office.
