Letter From The Director

On behalf of the Granite City Park District Board of Commissioners and staff, it is my pleasure to welcome you again to another great summer in the Park.

The Granite City Park District takes great pride in developing well-organized and entertaining activities for the young people of our community. Summer vacation can be a positive and rewarding time, and the Park is a great place to make this happen. The District offers kids several fun and instructional programs such as golf, tennis, baseball, gymnastics, dance, swim lessons, and the summer recreation program. Make the most of the summer with one of these great programs.

In addition to excellent programs for the kids, the Park District has programs for adults that include exercise classes, yoga, and a 100-mile walking club, to name a few.

Thanks to our great sponsor GCS Credit Union we will once again offer “Movies Under The Stars” So grab the kids, your blankets, and folding chairs and join us for these fun free evenings of entertainment.

While the Park District offers various organized programs, many enjoy our walking paths, beautiful gardens, fountains, or just having fun in one of our many neighborhood parks. Either way, you can find something for the whole family.

We are proud to host the largest community event in Granite City, Patriots In the Park. The event boasts one of the largest fireworks displays in the St. Louis area. Thanks to many generous sponsors, the display will attract thousands of people from all over the region. The event will feature a car show, a 5K run/walk, essay contests, a vendor market, and much more.

The Granite City Park District staff and I are committed to serving the community and seeking new ways to improve. We hope that this brochure is helpful in finding just what you need for a great summer. Like us on Facebook to stay current on all upcoming events and announcements. If you have any suggestions, please feel free to let us know.

Team gymnasts learn skills and routines from the USA Gymnastics Xcel Program, which provides a positive introduction to the competitive side of gymnastics. Athletes in this program practice and are enrolled year-round and compete throughout Illinois and Missouri. Gymnasts must meet certain criteria to be enrolled in this program. Before enrolling, all athletes must be approved by the Program Director. The cost of this program is \$91.00 for Residents or \$115 for Non-Residents every 6-week session. Additional fees may apply for competitions, and fundraising participation within the Parent Booster Club offsets the costs.
