Since 1921 the Park District has served as a cornerstone of activities, providing a wide variety of recreational opportunities. This guide will showcase an assortment of organized activities and programs to please the whole family. Find one you like and mail the attached registration form or come to the Wilson Park Office, and our staff will happily assist you.

I am proud to serve as your Director of Parks and Recreation. The Granite City Park District staff is committed to serving the community and always seeking new ways to improve our services. Gymnastics, Dance, & Tumbling

Since 1986, we have focused on safety, love of children, and our connection to students and their families. Here at the Granite City Park District, we teach gymnastics, dance, and cheerleading with the hope of always bringing you new and exciting classes. Our expert coaches and safe curriculum are what help us be exactly what you are looking for!

Parent/Tot Gymnastics

Children in this class not only get undivided attention while bonding with their caregivers but learn to socialize with other kids and follow directions. Little ones ages 1-3 explore, develop, and practice motor skills, body awareness, eye-hand coordination, strength, and balance on the gymnastics equipment in a structured environment.

#106 - Tuesday 5:00 - 5:30 p.m.

#110 - Thursday 5:00 - 5:30 p.m.

Preschool Gymnastics

Introduce your child to the excitement of gymnastics! This class focuses on basic gymnastics and tumbling with jumps, rolls, handstands, cartwheels, and skills on the balance beam, uneven bars, and vault with instruction from fun coaches. Preschoolers ages 4-5 develop socialization, learn to follow directions, and build muscle coordination, and gross motor skills.

#107 - Tuesday 5:30 - 6:00 p.m.

#111 - Thursday 5:30 - 6:00 p.m.

Beginning Gymnastics

This class lays the foundation to progress and build upon. In this class, athletes will learn rolls, handstands, cartwheels, roundoffs, bridges, jumps, and various skills on the balance beam, uneven bars, vault, air track, and mini-trampoline. Boys registering for this class may also utilize the pommel horse and rings.

#108 - Tuesday 6:00 - 7:00 p.m.

#112 - Thursday 6:00 - 7:00 p.m.

Intermediate/Advanced Gymnastics

This class is for athletes who have mastered the beginner level and can demonstrate the technique and form in order to progress to more advanced skills easily. Performing skills with ease on the apparatus is necessary for this level. Our highly trained coaches are excited to give instruction in front and back walkovers and back handsprings at this level. Handstands and cartwheels on the balance beam, back hip circles on the uneven bars, and front handsprings on the vault are perfected in this class.

#109 - Tuesday 7:00 - 8:00 p.m.

#113 - Thursday 7:00 - 8:00 p.m.

Gymnastics, Dance & Cheerleading

Xtreme Team/Pre-Team

When recreational classes are not enough, it's time for the next big step in our sport! This means longer instructional training sessions, more time on the apparatus, and competitions. Team gymnasts learn skills and routines from the USA Gymnastics Xcel Program, which provides a positive introduction to the competitive side of gymnastics. Athletes in this program practice and are enrolled year-round and compete throughout Illinois and Missouri. Gymnasts must meet certain criteria to be enrolled in this program. Before enrolling, all athletes must be approved by the Program Director. The cost of this program is \$100.00 for Residents or \$126 for Non-Residents every 6-week session. Additional fees apply for competitions, and fundraising participation within the Parent Booster Club offsets the costs.

Xtreme Pre-Team: #118 - Monday & Saturday

Xtreme Team: #104 - Monday & Saturday

Tumbling

The focus of this class is to learn and master skills on the floor and Air Tracks only (no apparatus). Children ages 6+ may register, then are divided into groups by skill level so that they can progress at their own ability level. Whether it's rolls and cartwheels or roundoff back handsprings and back tucks, our expert coaches have you covered!

#115 - Saturday - 12:00 - 1:00 p.m.

Jr. High/High School Tumbling

Athletes on a current cheerleading or dance team wishing to progress their tumbling skills should join this class. If your child has an upcoming tryout in Junior High or High School this class will also be beneficial. The coaching staff is trained to work with students so that they can get a head start on cheerleading and dance team skills, tumbling, jumps, and stunts.

#117 - Thursday 8:00 - 9:00 p.m.

Cheerleading & Dance Combo Class

Does your child have a dramatic flair? Do they love music? If your child dreams of being a dancer or cheerleader, give them a start toward that dream with this class. Your child will learn cool moves in a variety of dance styles such as ballet, tap, jazz, and hip-hop. Cheerleading fundamentals taught include cheers, stunts, jumps, voice projection, pom pon techniques, and of course tumbling. Ballet & tap shoes are recommended for this class.
