#### Cannon

The cannon was put back in place on Tuesday, November 9th. The sandblasting and paint job made a difference. Today, our maintenance department used the backhoe to get it back in alignment on the concrete pad. The painter plans to touch up any spots that are scratched in the process of moving the cannon back in place.

#### Civic Park

Holiday lights were purchased by the City for Civic Park. Our maintenance department will be hanging them in the next couple of weeks, just in time for the Candy Cane Parade on December 4th.

#### Fireworks

Our fireworks representative met on-site Thursday, November 10th, to discuss our launch relocation for this year's July 4th fireworks display. After confirming that the location meets all of the necessary distance requirements, our new launch location will be the outfield area of diamond #2. I was assured the show will still have the same visibility at the Coolidge grounds. Low fireworks will no longer be used due to the change in launch locations; all fireworks will be shot high.

Although the launch location provides an option to keep the fireworks main viewing area, that isn't favorable for the layout of our carnival. The grounds behind the ice rink will be designated as part of the restricted area (fall out zone). Over the next few weeks, we will continue exploring our options for a carnival during Patriots In the Park.

#### **IPARKS**

Today IPARKS conducted our annual inspection of facilities and playgrounds. They will provide us with a detailed report of any recommendations they have.

#### Pool

Bi-State Pool was on-site Monday, November 8th, to locate repair our leak(s) in the pool. Unfortunately, it was determined the walls that were cut and repoured as part of our pool renovation/repair project in 2019 are leaking at the seams. Capri Pools/ Contegra Construction completed was the contractor on this project. Facilities Manager Joey Hall and I are in discussions with Capri to find a remedy for this issue. We are hoping the walls can be ground and caulked at the seam.

All business concluded. Motion to adjourn was made by Commissioner Craig Sykes, second by Commissioner Matt Jones. Meeting adjourned at 7:19 p.m.

/ndh

If prospective attendees require an interpreter or other access accommodation needs, please contact the Granite City Park District Office at 618-877-3059 no later than 72 hours prior to the commencement of the meeting to arrange accommodations.

GC Tribe Baseball & Softball Club 1815 Delmar Ave Granite City, IL 62040

To Whom it May Concern:

On behalf of the GC Tribe Baseball & Softball Club we are providing this letter as explanation in response to a request to use Worthen Field on a permanent basis. As our association has grown over the last few years to include more teams for ages 7-18, we are in need of a permanent field.

The GC Tribe Baseball & Softball Club was formed in July 2016 when we combined the Jr Warriors and Braves Baseball clubs with the sole purpose of bringing together community based independent baseball and softball teams under the same structure for the benefit of sharing resources, fields, social media and sense of community. The goal has always been to provide a safe and organized club targeting the youth in the Granite City school district and to prepare our athletes at a higher level as they advance towards athletic accomplishments in high school and beyond.

We now find ourselves seeking a field for the 2022 season. We would greatly appreciate the opportunity to work with the Wilson Park Board members, Director and staff to once again use Worthen Field. The GC Tribe organization last season kept the field active and being used on a regular basis for games and practices, which we believe not only helped us as an organization but is in line with what the board is trying to do by revitalizing and attracting more activities to Worthen Park. We have interest in helping the park update the field make it a field that all ages can play at from 7-17 and keep it maintained if needed. This would require the field being cut back to accommodate 80- and 90-foot base paths. We are willing to help with anything needed to make the fields playable for all age groups.

Our club has always intended to do the right thing by our community. We ask that you allow us to continue to use Worthen Field in order to do so.

Thank you for your time and consideration

Sincerely,

Randy Christy - President

Justin Brinkmeyer Granite City Park District 2900 Benton St. Granite City, IL 62040

Dear Justin,

For the year of 2022, the price increase of the actual fireworks has had a minimal impact on the overall cost of a display, around 3 to 4%. The majority of the price increase is due to the current shipping cost of the product. The current shipping cost has increased over 100% since 2020.

This resulted in a 15% increase for your display. Based on the previous year's show budget of \$39,900.00, we would need an increase of \$6,000.00 to keep the same caliber display next year.

If you have any questions or need any other information, please give me a call.

Sincerely,

Riley Pakosz

AN ORDINANCE providing for the issue of \$182,000 General Obligation Park Bonds, Series 2021A, of the Granite City Park District, Madison County, Illinois, for the purpose of providing the revenue source for the payment of certain outstanding bonds of said Park District and for the payment of the expenses incident thereto, providing for the levy of a direct annual tax sufficient to pay the principal and interest on said bonds, and authorizing the sale of said bonds to Royal Banks of Granite City.

WHEREAS, the Granite City Park District, Madison County, Illinois (the "District"), is a duly organized and existing Park District created under the provisions of the laws of the State of Illinois, and is now operating under the provisions of the Park District Code of the State of Illinois, and all laws amendatory thereof and supplementary thereto (the "Act"); and

WHEREAS, the District has issued and now has outstanding and unpaid its General Obligation Park Bonds (Alternate Revenue Source), Series 2009 (the "Prior Bonds"); and

WHEREAS, it is necessary and desirable to provide the revenue source for the payment of the principal and interest due on January 1, 2022, with respect to the Prior Bonds (the "Refunding"); and

WHEREAS, the Prior Bonds are presently outstanding and unpaid and are binding and subsisting legal obligations of the District; and

WHEREAS, the Board of Park Commissioners of the District (the "Board") does hereby find that it does not have sufficient funds on hand for the Refunding, and that the cost thereof, including legal, financial and other expenses, will be not less than \$182,000, and that it is necessary and for the best interests of the District that it borrow the sum of \$182,000 and issue bonds of the District to evidence the borrowing; and

WHEREAS, the Board does hereby find and determine that upon the issuance of the \$182,000 General Obligation Park Bonds, Series 2021A, now proposed to be issued, the aggregate outstanding unpaid bonded indebtedness of the District, including said bonds, will not exceed

.575% of the total assessed valuation of all taxable property in the District as last equalized and determined, and pursuant to the provisions of Section 6-4 of the Act, it is not necessary to submit the proposition of issuing said bonds to the voters of the District for approval:

Section 3. Bond Details. There be borrowed on the credit of and for and on behalf of the District the sum of \$182,000 for the purpose aforesaid; and that bonds of the District (the "Bonds") shall be issued in said amount and shall be designated "General Obligation Park Bonds, Series 2021A." All Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Bond Registrar as authenticating agent of the District and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Ordinance. The certificate of authentication on any Bond shall be deemed to have been executed by the Bond Registrar if signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

FOR THE YEAR	A TAX SUFFICIENT TO PRODUCE THE SUM OF:					
2021	\$184,173.89	for principal and interest up to and including December 1, 2022				

Principal or interest maturing at any time when there are not sufficient funds on hand from the foregoing tax levy to pay the same shall be paid from the general funds of the District, and the fund from which such payment was made shall be reimbursed out of the taxes hereby levied when the same shall be collected.

The District covenants and agrees with the purchasers and the holders of the Bonds that so long as any of the Bonds remain outstanding, the District will take no action or fail to take any action which in any way would adversely affect the ability of the District to levy and collect the foregoing tax levy; and the District and its officers will comply with all present and future applicable laws in order to assure that the foregoing taxes will be levied, extended, and collected as provided herein and deposited in the fund established to pay the principal of and interest on the Bonds.

Secretary is hereby directed to file a certified copy of this Ordinance with the County Clerk of The County of Madison, Illinois (the "County Clerk"), and it shall be the duty of the County Clerk in and for the year 2021 to ascertain the rate necessary to produce the tax herein levied, and extend the same for collection on the tax books against all of the taxable property within the District in connection with other taxes levied in said year for general park purposes, in order to raise the amount aforesaid and in said year such tax shall be computed, extended and collected in the same manner as now or hereafter provided by law for the computation, extension and collection of taxes for general park purposes of the District, and when collected, the taxes hereby levied shall be placed to the credit of a special fund to be designated "Park Bond and Interest Fund of Series 2021A" (the "Bond Fund"), which taxes are hereby irrevocably pledged to and shall be used only for the purpose of paying the principal of and interest on the Bonds.

Section 9. Use of Bond Proceeds. Accrued interest received, if any, on the delivery of the Bonds is hereby appropriated for the purpose of paying first interest due on the Bonds and is hereby ordered deposited into the Bond Fund. Simultaneously with the delivery of the Bonds, the

principal proceeds of the Bonds and any premium received from the sale of the Bonds are hereby appropriated to pay the costs of issuance of the Bonds and for the purpose of paying the costs of the Refunding, and that portion thereof not needed to pay such costs of issuance is hereby ordered deposited into the District's Alternate Bond and Interest Fund of the General Obligation Park Bonds (Alternate Revenue Source), Series 2009, established in connection with the Prior Bonds. At the time of the issuance of the Bonds, the costs of issuance of the Bonds may be paid by the Purchaser on behalf of the District from the proceeds of the Bonds.

Section 10. Non-Arbitrage and Tax-Exemption. The District hereby covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Internal Revenue Code of 1986, as amended (the "Code"), or would otherwise cause the interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The District acknowledges that, in the event of an examination by the Internal Revenue Service (the "IRS") of the exemption from federal income taxation for interest paid on the Bonds, under present rules, the District may be treated as a "taxpayer" in such examination and agrees that it will respond in a commercially reasonable manner to any inquiries from the IRS in connection with such an examination.

The District also agrees and covenants with the purchasers and holders of the Bonds from time to time outstanding that, to the extent possible under Illinois law, it will comply with whatever federal tax law is adopted in the future which applies to the Bonds and affects the tax-exempt status of the Bonds.

The Board hereby authorizes the officials of the District responsible for issuing the Bonds, the same being the President, Secretary and Treasurer, to make such further covenants and certifications regarding the specific use of the proceeds of the Bonds as approved by the Board and as may be necessary to assure that the use thereof will not cause the Bonds to be arbitrage bonds and to assure that the interest on the Bonds will be exempt from federal income taxation. In connection therewith, the District and the Board further agree: (a) through their officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to consult with counsel approving the Bonds and to comply with such advice as may be given; (c) to pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds; (d) to file such forms, statements, and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by their officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the District in such compliance.

Section 11. Designation of Issue. The District hereby designates each of the Bonds as a "qualified tax-exempt obligation" for the purposes and within the meaning of Section 265(b)(3) of the Code.

Section 12. List of Bondholders. The Bond Registrar shall maintain a list of the names and addresses of the holders of all Bonds and upon any transfer shall add the name and address of the new Bondholder and eliminate the name and address of the transferor Bondholder.

Section 13. Duties of Bond Registrar. If requested by the Bond Registrar, the President and Secretary are authorized to execute the Bond Registrar's standard form of agreement between the District and the Bond Registrar with respect to the obligations and duties of the Bond Registrar hereunder which may include the following:

(a) to act as bond registrar, authenticating agent, paying agent and transfer agent as provided herein;

- (b) to maintain a list of Bondholders as set forth herein and to furnish such list to the District upon request, but otherwise to keep such list confidential;
- (c) to cancel and/or destroy Bonds which have been paid at maturity or submitted for exchange or transfer;
- (d) to furnish the District at least annually a certificate with respect to Bonds cancelled and/or destroyed; and
- (e) to furnish the District at least annually an audit confirmation of Bonds paid, Bonds outstanding, and payments made with respect to interest on the Bonds.

Section 14. Record-Keeping Policy and Post-Issuance Compliance Matters. On November 26, 2013, the Board adopted a record-keeping policy (the "Policy") in order to maintain sufficient records to demonstrate compliance with its covenants and expectations to ensure the appropriate federal tax status for the debt obligations of the District, the interest on which is excludable from "gross income" for federal income tax purposes or which enable the District or the holder to receive federal tax benefits, including, but not limited to, qualified tax credit bonds and other specified tax credit bonds. The Board and the District hereby reaffirm the Policy.

Section 15. Severability. If any section, paragraph, clause, or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Ordinance.

Section 16. Repeal. All ordinances, resolutions or parts thereof in conflict herewith be and the same are hereby repealed, and this Ordinance shall be in full force and effect forthwith upon its adoption.

Adopted: November 23, 2021.
