

Company

PROFILE

FULL JEANS SOLUTIONS

ABOUT US

Full Jeans Solutions, is a certified company which represents and distributes in Pakistan some of the most prestigious foreign manufacturers of components for industry and research in the electrical and plant engineering fields.

It is able to provide solutions and application consulting, using specialized technicians and a network of qualified distributors and agents, guaranteeing companies a single supplier able to meet any need in the industrial sector.

The primary commitment of Full Jeans Solutions is to offer a complete service that goes from the support for the purchase of the most suitable product to the needs of the Customer, to the assistance after the sale.

Full Jeans Solutions today prides itself in providing high quality products for its customers. Our products line range from power components such as Air Circuit Breaker (ACB'S), Molded Case Circuit Breakers (MCCB's), Miniature Circuit Breakers (MCB's). Connectors, Power Factor Capacitors, Insulators, Motor Control Centers, Overload Relays, magnetic Contactors, Limit Switches Distribution and Junction boxes, Clamp Meters, Pannel Meters, Motor Starters, Float Switches. We also deal in PLC's, frequency tors, proximity sensors, ultrasonic sensors, encoders, Power Factor Relays,

Temperature Controllers and Timers. With so many years past in this industry we try to help our customers with the best possible solutions that we can do in order to optimize high value for them. We believe in loyalty and long term relationship and we always keep both these things in our mind when we are working with our customers. We work as a partner with our customers. It is our belief that our growth is linked with the growth and prosperity of our Customers.

BRANDS THAT WE REPRESENT

the experience gained over the years, together with the collaboration with qualified Companies and specialists in the sector, has allowed FULL JEANS SOLUTIONS to apply in the electrical sector as an ideal "partner" able to analyze and solve technical problems, even particularly complex, with first level. The range of brands and products by us are listed below.

Electrical Switchgears covering International Recognized Standards of Electrical Switchgear. Products are made on high quality profile keeping in view the Client's Requirements and site location atmosphere. The panels have , high conductive cooper bus bars and can be accessible from rear or front. It is quite easy for the client to expand their setup without disturbing the existing one. Spacious Modular designing of Products make it easy for assembly, erection and maintenance in future. To meet the International Standards NOBEL has a team of Professional Engineers with a spirit of innovation. The testing Lab of the company is equipped with most modern testing equipment's & accessories to comply the Product quality with International Standards.

OUR MISSION

To offer our customers top quality competitively priced products and systems, with the best possible technical and customer support. As well as offering a wide range of standard items from stock, we can also provide bespoke solutions through our design team which can help our customers gain advantage over their competitors.

We want our customers, and potential new customers, to feel as though they are receiving the best possible care, attention, and experience when making contact with us. We aim to do this by focusing all staff on how to handle enquiries professionally and efficiently in a way that satisfies or even exceeds our customers' expectations. We believe that the above words outline our commitment, not only to our own business growth, but also to our customers' so that we can all work together to our mutual

OUR MISSION

To offer our customers top quality competitively priced products and systems, with the best possible technical and customer support. As well as offering a wide range of standard items from stock, we can also provide bespoke solutions through our design team which can help our customers gain advantage over their competitors.

We want our customers, and potential new customers, to feel as though they are receiving the best possible care, attention, and experience when making contact with us. We aim to do this by focusing all staff on how to handle enquiries professionally and efficiently in a way that satisfies or even exceeds our customers' expectations. We believe that the above words outline our commitment, not only to our own business growth, but also to our customers' so that we can all work together to our mutual benefit well into the future.

OUR VALUES

Integrity Deliver what we promise Be Trustworthy Compete fairly improperly influence others or let them improperly influence us Be honest

EXCELLENCE

Take pride in what we make and do Have complete focus on ensuring total customer satisfaction Act with a sense of urgency Achieve excellence by taking responsibility for getting it right Take ownership for getting it done

PEOPLE

Treat others with respect Utilise the talents of our team Strengthen our team by training and recruiting the best Collaborate with employees, suppliers and customers Earn trust of others

COMMITMENT

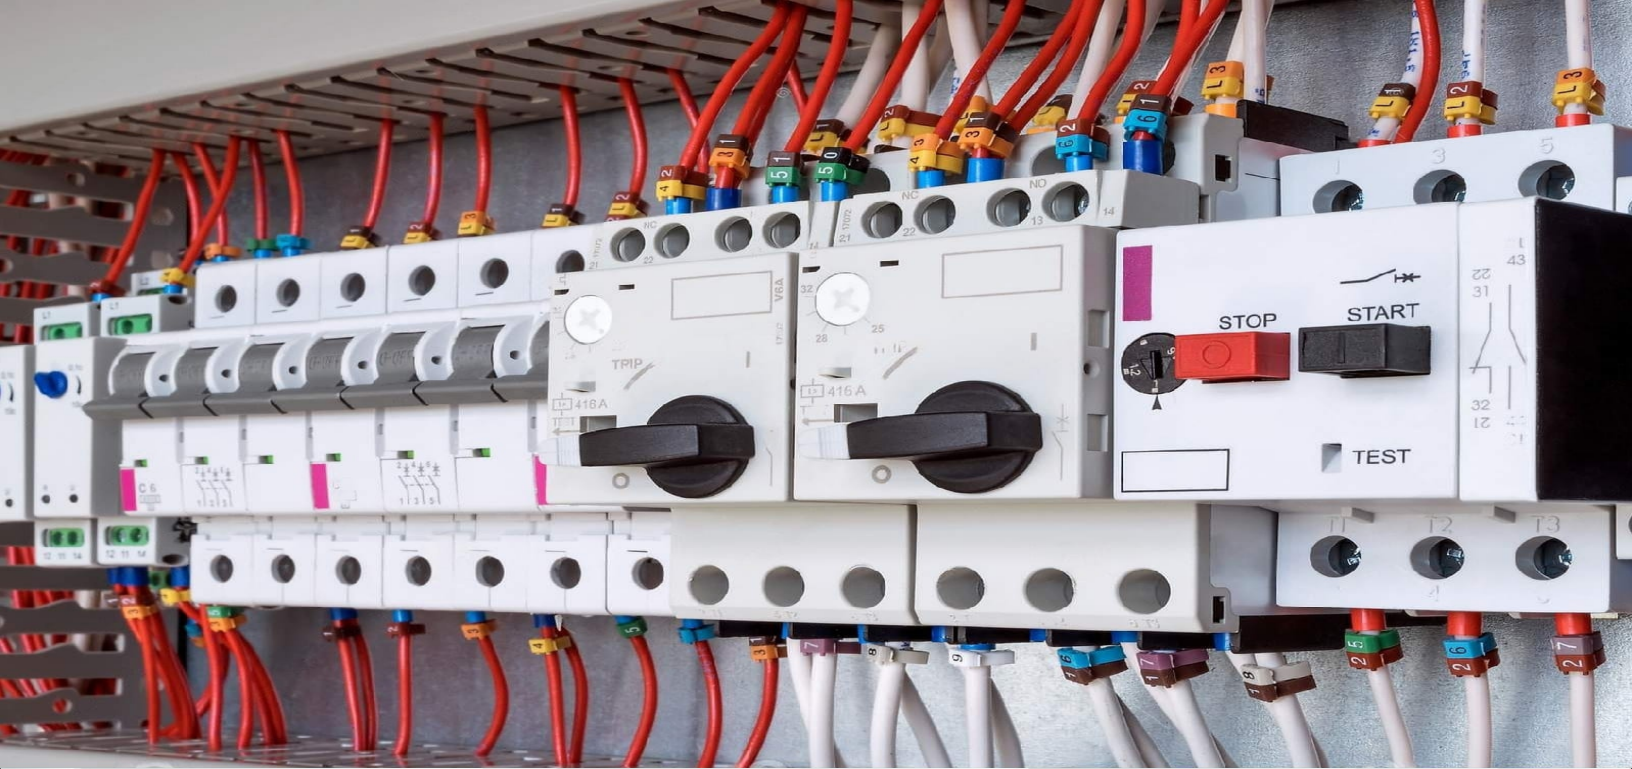

Be committed to FULL JEANS SOLUTIONS success Protect the health and safety of others and ourselves Are personally accountable to reach our goals Insist on the highest standards

WE KNOW BUSINESS SUCCESS IS BASED ON PRODUCTIVITY, EFFICIENCY AND PERFORMANCE.

That's why we combine our unrivalled stock and logistics with unbeatable service and expertise across all of our nationwide branches.

WE WORK IN PARTNERSHIP WITH ORGANIZATIONS ACROSS A WIDE SPECTRUM OF INDUSTRIES

Our experienced engineering team regularly deliver innovative solutions, training and support that is tailored to the diverse needs of our varied customer base.

Switchgear

Main LT Panel
 PCC (Power Control Center)
 Auto/Manual Synchronizing / Load Sharing Panel
 AMF Panels
 MCC (Motor Control Center)
 Control and Relay Panel
 Control Desk & Mimic Panels
 Intelligent Switchboards with Computer & BMS Interface
 Power factor improvement (pfi) plants.
 Meter Board
 Main Distribution Board (MDB)
 Bus Ducts & Rising Mains

AUTOMATION COMPONENTS

Programmable Logic Controller (PLC)
Human Machine Interface (HMI) Variable Frequency Drives (VFD)
Soft Starters Inductive, Capacitive, Photo & Ultrasonic Sensors Linear and Rotary Encoders High Temperature Sensor Pressure Temperature Sensor

CONTROL ACCESSORIES

*Ampere & Volt Selector
ON/OFF Push Button
Emergency Push Switch
Signalling Devices*

VISUAL SIGNALLING

*Steady Beacons
Flashing Beacons
Rotating Mirror Beacons
Panel Mount Beacons
Available in LED & Bulbs
Sources*

SIGNAL TOWERS LIGHTS WITH SOUNDERS

*Tower Light in 30mm, 40mm, 50mm, 70mm Half dome Lights
Excellent Cost / Performance ratio
Available in LED Bulbs / Steady / Flashing / Strobe & Multi Strobe Lights
Pieze Buzzer and multi-tone Siren Modules IP 64
Available in LED & Bulbs Sources
Weatherproof up to IP 66 Housing*

SAFE SWITCHING

*Rotary on-off, Switch & control switches
Cam / Selector Switches Amp & Voltage
Rotary Switches / Change over Switch*

AUDIBLE SIGNALLING

*Horn Type Sounder
Bell Type Sounder
Electronic Multi Tones Sounders
22mm Panel Mount Sounder
Surface Mount Sounder
Audible Signalling Sounder
Adjustable Sound Level*

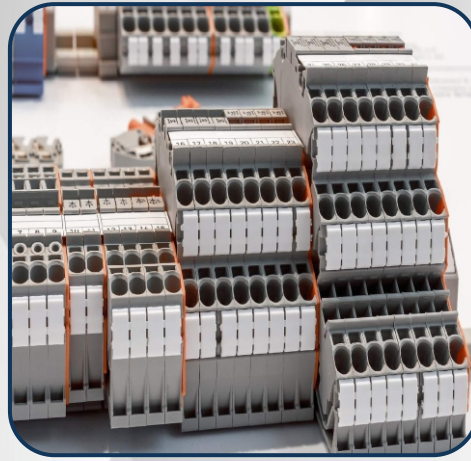

CONTACTOR & OVERLOAD RELAYS

*Up to 2000 A
Overload Relays up to 630A
Electronic Overload Relays up to 820A*

HRC Fuses and Bases / Fuse Link

*Cutout
Medium Voltage
Arrestor Road
Lighting*

LINEUP CONNECTOR

*Terminal Block /
Earth Terminal Block
Fuse Terminal
CT Short Terminal Block
Accessories Stopper & End
Plate / Numbering
PVC Connector Strips
Bakelite Connector strips*

LIMIT SWITCHES

*Complete range of Position
Switches Safety Switches*

INDUCTIVE SENSOR

*Proximity Sensors
Rotary Encoders
Proximity switches,
Photo electric switches,
all type of limit & micro*

Air Circuit Breakers

*Masterpact NT-Circuit Breaker
from 630 to 1600A
Masterpact NW- Circuit
Breakers from 800 to 6300A
Large range of Breaking
Capacities*

Moulded Case Circuit Breakers

*Easypact - Economy Circuit Breaker from 15
to 400A
Compact NS - Circuit Breakers from 15 to
1600A
Large range of Breaking Capacities*

MINIATURE CIRCUIT BREAKERS

MCB's Nominal Current 1 to 63A

MCB's Large Choice of Breaking Capacities and Tripping Curves; B,C,D

ELCB's Nominal current:1 to 125A

ELCB's 30MA, 100MA, 500MA sensitivities

CONTACTORS

Miniature Contactors up to 5.5kw - TESYS K

Standard Contactors up to 45kw - TESYS D

Standard Contactors up to 450kw - TESYS F

Available in 3 & 4 Poles

MOTOR PROTECTION CIRCUIT BREAKERS

TESYS GV2-Motor Protection Circuit Breakers 0.37kw to 15kw

TESYS Gv3- Motor Protection Circuit Breaker up to 37kw

THE MINIATURE POWER SUPPLIES

Single phase or 400/ 480V input
Output voltage from 5V to 56V

Robust plastic housing

Wide temperature range

Current Measuring Accessories

Digital Multifunction Meter
Current Transformer/ 3phase current Transformer / Split core Ct'
Power, Transducer Current & Voltage

Digital Volt Amp Meter
Digital Power Analyzer
Digital Static Energy

Safety Relays

- Under / overvoltage Relay
- Phase sequence Relays
- Phase Failier Relay
- Monitoring Relays
- Timing Relay
- Supervision Relay
- Safety Relays
- Auxiliary Relays
- Leakage Relay
- Over Current R e l a y
- Earth Fault Relay
- Latching Relays

Star Delta Timer

- On/Off Delay Timer
- Din type digital timer meter 00~99 S,M,H
- Programmable Digital Timer
- Digital Presetable Counter**
- Digital Time Switch**
- sequence timer
- adjustable cyclic timer
- Universal Digital Timer**

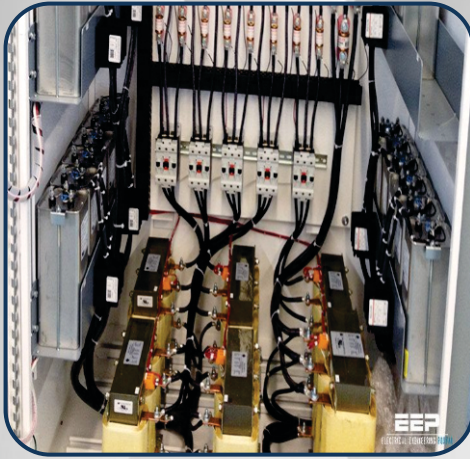

LUGS & THIMBLE

- Tube Type Lugs
- U Type Lugs
- O Type Lugs
- I Type Lugs
- Complete Range Off
- Copper & Aluminum Thimble
- 6 SQMM To 630 SQMM

Earthing & Lightning

- Thread/Non Threaded Solid Copper Rod
- Hard Drawn Copper Bar
- Flat Copper Tape/ Copper Cross Saddle
- Earth Block
- U Bolt Rod to Cable Clump/Brass Split Bolt
- Lightning Arrester .Conventional /ESE
- Air Terminal Base Tape/Braided Tape

Power factor improvement capacitors and Plants.
Magnetic contactors, Relays, Starters & Circuit breakers.
Magnetic contactors, Over load Relays, Timers, Motor protectors, Circuit breakers,
Push buttons, Indication lights,
Timers & auxiliary contactors etc,

CIRCUIT BREAKERS LAC CONTACTORS / PANEL BOARD
All Type MCB & MCCB Circuit Breaks
Air circuit breakers
All Type of Contactors and Relays
Electric overload relays
Thermal overload relays
Under/ Overvoltage relays

YIXIN Industrial plug and socket
3*16A 3*32A 4*16A 4*32A 5*16A 5*32A

Plug	Wall Mounted Socket	Coupler	Panel Mounted Socket

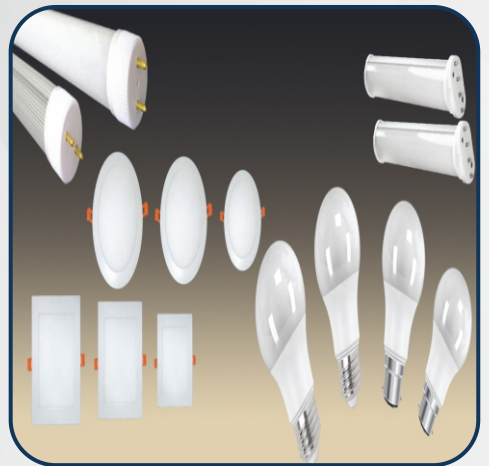

MALE FEMALE INDUSTRIAL PLUG AND SOCKET
Available in:
2Pin16A ,3Pin16A,3Pin32A,4Pin16A, 4Pin32A,5Pin16A,5Pin32A,5Pin63A
Water Proof Wall Mounted & Hanging Type

HOMES ELECTRICAL SWITCHES ACCESSORIES
Wall Switches
Switch Sockets
Power Plug Heavy Duty
Single Data
Usb Charging Socket
Door Bells
Light Plug & Universal Sockets
Holder and Ceiling Rose
2&3 Pin Plugs
Back Light Series

CABLE & CONDUCTORS
Electric Cable Low & High Voltage
Indoor Telephone Cable
Control/Shielded /Screened Cables
All Types of Aluminum Conductors
Soft Drawn Bar Copper Conductor
Available IN:
Pakistan Cable
Newage Cable
Fast Cable
GM Cable

LED LIGHT / ENERGY SAVER / BULBS
Led Lights All Type
Energy Saver All Type
Led Tube Lights
Led Panel Lights
Led Flood Lights
Led Street Lights
Led Ceiling Lights

ELECTRICAL SWITCHGEAR FOR HOMES AND INDUSTRIES

Panel Boxes All Sizes

Lt service boxes.

Solar Service Box

Boiler control panels.

Power Factor Panel Boards

DOL Starters

Automatic Star Delta Starters

Single Phase Starters For Submersible Starters

Open And Concealed DB Box For Industrial Commercial Use

RESIDENTIAL & COMMERCIAL FAN

Celling Fan

Pedestal Fan

Exhaust Fan

Bracket Fan

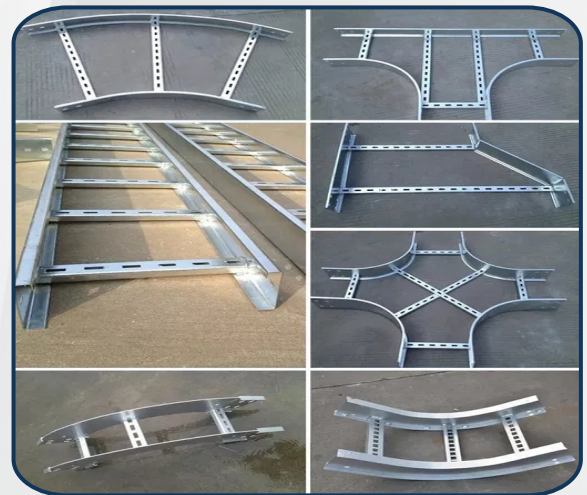

MOTORS & PUMPS

Single Phase Motors

3phase Motors

Submersible Pumps

All Type Motor Starters

MS / GI/ HOT-DIP GALVANIZE

Cable Ladder & Tray

Perforated Cable Trays

Wire Mesh Cable Trays

Out Door Trucking Type Cable Trays

Strut Channel Systems

ELECTRIC SERVICES

- ✓ Electrical Cable Laying & Termination
- ✓ Installation Off Cable Tray & Cable Ladder
- ✓ Electrical set up and rewiring
- ✓ Code Violations Corrected
- ✓ Electrical Inspections
- ✓ Trouble Shooting/Shorts
- ✓ Earthing Inspections
- ✓ Load Management Program
- ✓ Thermographic Scanning
- ✓ Electrical panel installation, upgrading, and replacement
- ✓ Whole house surge protection
- ✓ Outlet installation and repair
- ✓ Smoke and Fire detector installations
- ✓ CCTV Camera Installations
- ✓ Telephone & Networking Installations
- ✓ Exhaust fan installations
- ✓ Electrical safety inspections
- ✓ All electrical maintenance and repairs
