This July we welcomed the 32nd BC Summer Games to Prince George. We saw the incredible athletic achievements of youth from across BC. We also celebrated the spirit of our community as more than 2,000 volunteers came together to create a memorable experience for thousands of athletes and families who visited our city to experience the incredible community we are.

On behalf of the Board of Directors, the 3000 athletes who competed, and the community at large, thank you for your wonderful help and support in making the Prince George BC Summer Games an outstanding event.

Yours sincerely,

Renee McCloskey
President
