CORE PILLARS	TIER 1: FOUNDATION THE RIPE LAUNCH & GROWTH INCUBATOR \$2,450 + GST	TIER 2: INFRASTRUCTURE THE GRANT READINESS & TENDER MASTERCLASS \$5,800 + GST	TIER 3: ENTERPRISE STRATEGY THE IMPACT & COMMUNITY LEADERSHIP STRATEGY FROM \$12,500 + GST
Best For	Aspiring entrepreneurs, micro-businesses, and regional startups ready to lay professional roots.	Non-profits, social enterprises, and established regional businesses ready to build repeatable funding systems and unlock capital pipelines.	Corporate enterprise teams, local councils, and large regional project stakeholders delivering community-led infrastructure or transition programs.
Strategic Scope & Delivery	3-Month Partnership Takes the guesswork out of business architecture by establishing a rock-solid structural foundation.	6-to-8 Week Targeted Intensive Unpacks past documentation blockers, establishes strategic alignments, and builds an institutional submission process.	3-to-6 Month Custom Deployment High-level advisory, program blueprint co-design, stakeholder consultation mapping, and continuous board-level oversight support.
Workshops & Direct Contact	Mentorship & Mapping 1 x 2-Hour Deep-Dive Vision Mapping Session plus 2 x 1-Hour Operational Infrastructure Workshops.	Structured Coaching Assets Includes 2 x 90-Minute advanced intensives specializing in budget compliance architecture and tender scoring mechanics.	Retainer Advisory Allocations Up to 10 hours per month of direct project advisory, active stakeholder meeting attendance, or executive-level project leadership guidance.
Corporate Documentation & Toolkits	Pitch & Workflow Toolkit Clean, automated workflows, robust project management tool sets, and Pitch & Brand Readiness Assets.	The "Ready-to-Apply" Toolkit Drafted master files: Corporate Capability Statement, Master Narrative frameworks, and Social Impact Statement baseline templates.	Custom Program Blueprints Bespoke creation of Stakeholder Engagement plans, custom Social Impact Quantitative Metrics, and regional capability-building program models.
Accountability & Continuity	3 Months Continuity 3 months of structured 45-minute monthly calibration calls to review performance metrics and resolve operational friction.	Process Optimization Continuous support throughout the 60-day sprint optimizing past submissions and targeting immediate open grants.	Embedded Oversight High-level retainer integration ensuring project risk mitigation, milestone checks, and localized trust development.
