2024 impact

A Word from Our Founder

As I look back and reflect on this past year, I can't help but feel blessed and honored to be a small part of all God is doing through **The Sobriety Resource**. I never dreamed when I answered His call that I'd be privileged to see us blossom and grow in such amazing ways.

I know our success is because of Him, and I also know that He uses all of you to bless our mission and keep us thriving. So we wanted to take a moment to pause and share with you a few highlights from 2024, knowing that without our partners around the state these incredible outcomes would not be possible.

Thank you for investing in us and allowing us to be your **trusted resource for addiction and recovery solutions**. We look forward to continuing to grow and enhance our services so families in crisis get the support needed to take the next step in their healing and recovery.

Together, we are **Making a Difference – One Life, One Family, and One Community at a Time**. Thank you for joining us!

In Heartfelt Gratitude,

Charmon
Founder/Executive Director

I AM THE DIFFERENCE YOU'RE MAKING

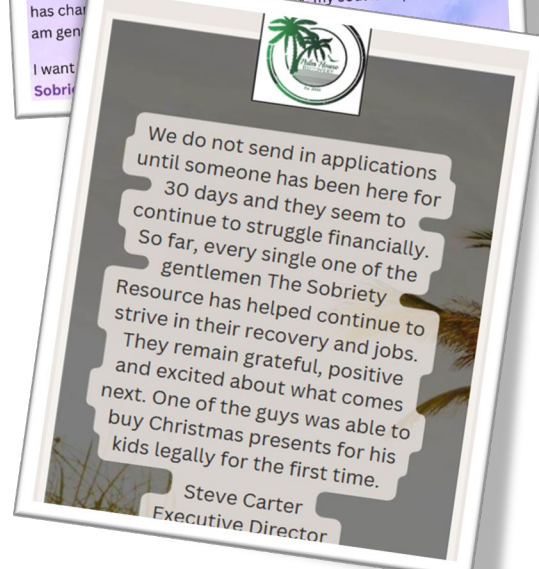

Matthew M.

Hello, my name is Matthew M., and I'm thirty-four years old. I've been clean and sober for over two years, and I'm living my best life.

My struggle with addiction began at nineteen after the loss of my mother to ovarian cancer. As an only child of a single mother, I felt lost and turned to substances for comfort. This battle lasted twelve long years, marked by strained relationships, time in jail, and the heartbreaking loss of trust from my wife and daughter. At my lowest point, I was ready to give up on life entirely.

Fortunately, probation offered me a final chance for help instead of prison. With guidance, I found a transformative program that gave me a second chance. Today, my soul is at peace, and I

I want to share my story with others who are struggling with addiction. I want to help them find the same peace and hope that I found. I want to help them find the same peace and hope that I found.
